*A note about this brochure: all disclaimers and disclosures can be found on the inside back cover. † Available.
Here, the standard of premium is raised to welcome heights. Legendary freedom begins with authentic Jeep® brand design cues like the fresh take on the traditional seven-slot grille and trapezoidal wheel wells. Then, the fluid, stylish lines of Compass Limited are enhanced by chrome trim, Black-painted roof and standard 20-inch polished aluminum wheels. This urban citizen faces challenging road conditions with confidence via an available full-time Jeep® Active Drive II system and its Selec-Terrain® Traction Management System, powered by the 180-hp 2.4L Tigershark® engine. Inside, experience a cabin that elevates every trip with premium leather (trimmed in Redline Pearl Coat) and surfaces with accent stitching. Advanced technology features include a 8.4-inch Uconnect® touchscreen display and a 7-inch full-color Driver Information Display. In addition, a multitude of standard and available safety and security features offer inspired peace of mind.
SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM

When you can match your capability to the road conditions ahead, worry-free travels are the norm. Every all-new Compass equipped with an available 4x4 system arrives with a Jeep® Selec-Terrain® Traction Management System, giving you the power to tackle Mother Nature’s toughest conditions. A variety of settings help deliver ultimate driving stability by coordinating up to 12 vehicle systems. Choose from up to five sure-footed modes: Auto, Snow, Sand, Mud, and, exclusively on Trailhawk®, Rock.

**AUTO**
When turned to this mode, Selec-Terrain does all the work, automatically adjusting vehicle dynamics to best suit the road. To help ensure optimal efficiency, the rear driveline disengages when not needed.

**SNOW**
Adjusts for ultimate performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems auto-engaged and managed in this mode include antilock brakes and traction control.

**SAND**
Converts to a uniquely calibrated Sand mode that utilizes aggressive throttle and upshift points to tackle looser, sand-covered surfaces.

**MUD**
Maximizes low-speed traction by allowing additional wheel-slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

**ROCK**
Delivers Trail Rated® 4WD capability thanks to its rear differential locking element, allowing you to crawl over rugged terrain at approximately safe speeds, exclusively on Trailhawk®.
Limited leather-trimmed interior in Ski Grey with Black perforated leather contrasting insert and Ruby Red accent stitching

**EXCEPTIONAL IN EVERY WAY**

**STUNNING FINISHES** Sophisticated ambient lighting adds an inviting aura inside the cabin. Clean, sculpted forms and elegant Piano Black and anodized Silver bezels with chrome knobs, as shown, add upscale distinction.

**COMFORT-LADEN** These seats are cradled with generous padding, adding available eight-way power and four-way lumbar adjustments for the driver’s heated seats for first-row passengers; heated steering wheel for the driver. Above, fresh air and sunlight flow in with an available power dual-pane panoramic sunroof.

**TECH SMART** Limited and Northstar models include a standard 7-inch full-color Driver Information Display and 4th-generation available Uconnect® 4C NAV with 8.4-inch display and pinch-to-zoom. Every Compass arrives with a Media Hub including a 12V outlet, auxiliary input jack and USB port, and a second USB port for second-row passengers.

**SAFETY AND SECURITY** Over 70 standard and available safety features offer steadfast assurance, including hands-free Text Message Reading, the Advanced Safety and Lighting Group conveniently bundles a list of desirable items, like LaneSense® Lane Departure Warning with Lane Keep Assist and Full-Speed Forward Collision Warning with Active Braking.14

**DRIVING CONVENIENCE** Available Remote Start System13 means the vehicle is ready to go with a push of the button. The Compass features a list of driving and entertainment functions, while an available auto-dimming rearview mirror cuts down on nighttime glare.

**UTILITY FLOW** A configurable, versatile interior offers seating for up to five adults. It can be arranged to carry plenty of cargo when the 60/40 split rear seats fold down, and when the front-passenger seat is folded forward. A rear-seat center armrest folds down to reveal the handy cup holders.

**LIMITED LEATHER-TRIMMED INTERIOR IN SKI GREY WITH BLACK PERFORATED LEATHER CONTRASTING INSERT AND RUBY RED ACCENT STITCHING**

THE LURE OF
DISCOVERY

LIMITED in Jazz Blue Pearl
JEEP® ACTIVE DRIVE LOW

Exclusively on Compass Trailhawk®. A standard single-speed power transfer unit (PTU) offers torque management and 4WD Low mode. This locks the front and rear driveshafts to deliver additional power at low speeds or for towing your toys. Additionally, off-roading benefits from a 1-inch increase in ride height and an incredible crawl ratio of 20:1, allowing Compass to climb steep hills and crawl over rocks with ease.

JEEP® ACTIVE DRIVE

A fully automatic, single-speed power transfer unit (PTU) delivers seamless operation in and out of 4WD at any speed. Yaw correction is automatic as well, helping to keep Jeep® Compass stable at all times. Jeep Active Drive also includes brake traction control that helps to maintain a balanced torque distribution, helping this system deliver an easy-to-use all-weather boost in capability.

NURTURE YOUR TRUE NATURE

THERE’S NOTHING BETTER TO USHER YOU TO YOUR NEXT ADVENTURE, THANKS TO THE AVAILABLE, BEST-IN-CLASS 4x4 CAPABILITY BUILT INTO THE ALL-NEW JEEP COMPASS. WHEN YOU NEED TO KEEP GOING NO MATTER WHAT, TWO AVAILABLE, AUTHENTIC JEEP BRAND 4x4 SYSTEMS STAND READY TO SERVE, WITH THE HELP OF A DISCONNECTING REAR AXLE. EACH SYSTEM CAN ACTIVELY TRANSITION FROM 4x4 TO FUEL-SAVING FRONT-WHEEL DRIVE (FWD) TO ENJOY THIS WELCOMED GAIN IN EFFICIENCY. SIMPLY KEEP THE SYSTEM’S STANDARD SELEC-TERRAIN® DIAL IN AUTO MODE. COMPASS WILL THEN SEAMLESSLY MATCH ITS JEEP BRAND ENGINEERED CAPABILITY TO ANY ROAD CONDITION IT ENCOUNTERS. WHEN YOU TURN THE DIAL TO ANOTHER MODE, 4x4 CAPABILITY IS ALWAYS ENGAGED AND ABLE TO SEND 100% OF AVAILABLE TORQUE TO ANY ONE WHEEL.

THERE’S NOTHING BETTER TO USHER YOU TO YOUR NEXT ADVENTURE, THANKS TO THE AVAILABLE, BEST-IN-CLASS 4x4 CAPABILITY BUILT INTO THE ALL-NEW JEEP® COMPASS.
MARK OF DISTINCTION: durability and toughness were born and bred under the Jeep Brand’s Trail Rated badge. Every Jeep Brand vehicle bearing this emblem of honor has been engineered and tested to masterfully operate in five performance categories: traction, ground clearance, maneuverability, articulation and water fording. The Compass Trailhawk resides proudly within this capable family.

WHERE WOULD YOU GO IF YOU COULD GO ANYWHERE? BEHIND THE WHEEL OF A TRAILHAWK® THERE ARE NO LIMITS BECAUSE LEGENDARY JEEP BRAND CAPABILITY IS AT ITS VERY CORE. THE STANDARD 4X4 SYSTEM, JEEP ACTIVE DRIVE LOW, AND A 20:1 CRAWL RATIO AND THE ABILITY TO SEAMLESSLY TRANSFER POWER TO ANY WHEEL WITH TRACTION. TRAILHAWK, INCARNATION OF JEEP BRAND’S TRAIL RATED® BADGE, IS THE ULTIMATE 4X4 CAPABLE ENGINES EQUIPPED WITH SKID PLATE PROTECTION, A 1-INCH LIFT AND SIGNATURE RUBY RED TOW HOOKS FRONT AND REAR. DESIGNED TO STAND OUT, TRAILHAWK FEATURES A UNIQUE FRONT AND REAR FACIA, DARK GREY ACCENTS, BLACK BODY AND A BLACK ANTI-GLARE HOOD DECAL. RED TRAILHAWK AND RUBY RED TOW HOOKS SIGNAL MEMBERSHIP IN THE OVER-ARCHING JEEP BRAND FAMILY OF GRANDIALLY CAPABLE AND UtTERLY UNIQUE 4X4 VEHICLES, A BREED UNLIKE ANY OTHER ON THE PLANET.

MASTERFUL TRAVELS

TRAILHAWK® IN SPITFIRE ORANGE
ELEVATED VIEW

The available Power Dual-Pane Panoramic Sunroof with its power sunshade is more than an amazing way of looking at the world; it can take you to a new world altogether. Passengers in all rows get a stellar view of every adventure, anywhere you go.

INTERIOR

PREMIUM INSTRUMENT PANEL Elegant and inviting in contrasting Piano Black, this cockpit is crafted to present important vehicle operations and data within a very appealing design. Anodized Silver and Chrome add inside richness. Standard on Limited.

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL Constantly adjusts air temperature inside the cabin to create separate customized environments for the driver and the front passenger. Standard on Trailhawk® and Limited.

HEATED STEERING WHEEL No gloves required with the warmth of this standard feature on Compass Limited. Also available with the optional Cold Weather Package.

KEYLESS ENTER ‘N GO™ No more fumbling for keys to get going. Just the key fob in your pocket and simply grab the door handle, climb in, press on the brake, press the start button and shift into “DRIVE.” Standard on Latitude, Trailhawk and Limited. Push-button start is standard on Sport.

9-SPEAKER PREMIUM SOUND SYSTEM This premium sound system maximizes every square inch of acoustics with studio-quality sound from nine speakers, including a 6.5-inch subwoofer. The eight-channel performance sound system pumps out 506 watts of power. Available.
2.4L TIGERSHARK® I-4 ENGINE Acclaimed for its unique and efficient valve-lift system, the Tigershark® incorporates a column of oil flow with precise control of intake valve events. This I-4 burns clean, improves fuel efficiency and reduces emissions with a quiet and refined ride. When paired with automatic transmission, includes PZEV (late availability).

ENGINE STOP/START (ESS) TECHNOLOGY helps reduce CO2 emissions and improve efficiency by using a dual-battery system and sophisticated controls to reduce fuel flow and turn off the engine when the vehicle stops. When the brake pedal is released, the engine seamlessly restarts and the transmission engages. Standard on automatic transmissions.

NINE-SPEED AUTOMATIC TRANSMISSION With AutoStick. Its fine-tuned 0.81 ratio spread between gears ensures smooth shifts and consistently refined performance with exceptional efficiencies throughout all gears at all speeds. A unique set of four overdrive ratios help gain efficiencies while reducing overall noise and vibration. Economies are maximized and performance is optimal at all times. Standard on Trailhawk® and Limited 4x4. Available on Sport 4x4.

SIX-SPEED MANUAL TRANSMISSION With its quick acceleration due to high maximum torque values, plus smooth precise shifting. This transmission offers a fun-to-drive factor that’s paired with welcome economies. It’s transverse three-shaft design is compact, delivering a welcome reduction in cabin noise, especially at highway speeds. Allows for flat towing in neutral. Standard on Sport, as well as Latitude 4x4.

SIX-SPEED AUTOMATIC TRANSMISSION This compact, lightweight transmission offers a high-precision clutch that’s smooth and responsive. This highly efficient performer helps realize economies, paired with next-generation electronics. Mated with the 2.4L Tigershark® I-4 engine, standard on Latitude and Limited 4x4 models, available on Sport 4x4 models.

A PRECISION-TUNED 830 COMPASS delivere...
POWER LIFTGATE
Access the rear cargo area with grace and ease by using your key fob to open the liftgate for a hands-free experience. Available.

FOLD-FORWARD FRONT-PASSENGER SEAT
This feature adds a convenient surface that can enhance your cargo-carrying capabilities. By flipping the passenger seat forward, you’re able to carry longer items. Standard.

HEIGHT-ADJUSTABLE CARGO FLOOR
Lower your rear cargo floor to accommodate the transport of taller items. Raise the floor to help ease load-ins and create a level carrying surface. Adjusts up to three levels. Cargo floor adjustable based upon spare tire/inflator kit content. Available.

60/40 SPLIT-FOLDING REAR SEATS
Configure your interior to fit your needs—each section folds separately to create a customized space. Standard.

GLOVE BOX AND CENTER CONSOLE
Keep your phones and devices secured. Below the center armrest console you’ll find a safe, hidden haven, while a side net pocket keeps items within reach. The glove box holds larger articles. Standard.

VERATILITY
Life can go in all kinds of directions. The configurable interior of Compass is designed to give you options to take what you need and make the most of your travels. Fold down the 60/40 split-folding rear seat to reveal a generous amount of cargo space. The height-adjustable rear cargo floor stands ready to increase space for taller items when lowered, or raise it up for easy, slide-in loading.

MAKE ROOM IN YOUR WORLD
Properly secure all cargo.
SEE AND BE SEEN Bi-xenon High Intensity Discharge (HID) headlamps with signature LED accent and distinctive Daylight Running Lamps cut through the darkness and haze, as well as add a very noticeable level of sophistication. Auto High-Beam Headlamp Control adjusts intensity based on ambient and oncoming-traffic light. Activate the Cornering Front Fog Lamps by turning the steering wheel or engaging the turn signal, sending more light toward the direction you’re heading. Available.

CLASS-EXCLUSIVE 7-INCH DRIVER INFORMATION DISPLAY
Fingertip controls on your steering wheel can instantly scroll you through a selection of vehicle information displayed within your instrument panel on a 7-inch full-color screen. Information includes navigation, capability data, performance statistics, vehicle dynamics, alerts and more. Standard on Trailhawk® and limited and available on Latitude models. A 3.5-inch monochrome, high-resolution Driver Information Display is standard on Sport and Latitude models.
RAIN, GO AWAY

Weather radar and emergency alerts give you an instant snapshot of conditions with SiriusXM Travel Link. Current conditions and five-day forecasts help you follow the sun. Five-year trial subscription included. Available.

TUNE INTO ROCK, TALK, NEWS AND SPORTS SHOWS

Choose from 150 SiriusXM® Satellite Radio® channels, save favorite artists and songs, use the free app on your smartphone. All included in your first-year trial. Available.

TALK AND COMPASS WILL RESPOND

Use voice commands with Siri® Eyes Free and your connected iPhone® to access all the available features. Press the voice command button on the steering wheel for help locating and sending texts, and making and receiving calls. You can also access directions and play music. Available.

TEXT WITHOUT USING YOUR HANDS

Send and receive calls and text while driving safely with hands-free phone capability. Uconnect works with Apple CarPlay® or Android Auto®, letting you take control through the Uconnect touchscreen. Available.

FIND THE QUICKEST WAY OUT OF TOWN

NEW 4TH-GENERATION TECHNOLOGY

Stay connected during every moment of your commute. The new fourth-generation Uconnect system keeps you moving ahead with smart advances in functionality and integration. You'll see vivid imagery on the Uconnect screens with options that employ hands-free calling and texting, multi-touch gestures and pinch-to-zoom features, and the ability to connect your Apple® or Android™ smartphone. The new, available class-exclusive 8.4-inch radio dominates your dash with its big, colorful screen, taking connectivity to the next innovative level.
YOUR WINDOW INTO A WIDER WORLD

UCONNECT® BRINGS A WIDE RANGE OF COMMUNICATION AND ENTERTAINMENT SERVICES STRAIGHT INTO YOUR VEHICLE, ALL BUNDLED TOGETHER WITHIN A ROBUST SYSTEM. WITH SO MANY CONVENIENT OPTIONS TO CHOOSE FROM, DISCOVER HOW YOU WOULD LIKE TO CONNECT AT DRIVEUCONNECT.COM.

A NEW UCONNECT® 4TH-GENERATION Uconnect technology takes a leap forward with faster start-up and high-definition resolution, adding speed and vibrancy to your experience. The new touchscreen responsiveness is immediate and concise, with available pinch gesturing to swipe and tap, just like you do on your smartphone.Enlarge, drag, shrink and move images to meet your needs.

Seamlessly integrates your iPhone® with the vehicle's built-in display and controls for a smarter, safer way to use your iPhone's features, including Siri® making calls, accessing music, sending and receiving messages, and getting directions optimized to traffic conditions.

WORKS WITH APPLE CARPLAY: Provides a simplified way to use your iPhone® while driving. It brings you helpful information with easy-to-use voice controls for Google Maps featuring voice-guided navigation, live traffic info, lane guidance and more. It also features on-demand access to 40 million songs with Google Play Music, place phone calls, and send and receive messages.

WITH YOU WHEREVER YOU GO

SiriusXM® TRAVEL LINK Sirius Travel Link™ adds convenience at a affordable price. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules on your favorite teams. Information on fuel prices in your area and more. Your first five years of SiriusXM Travel Link™ are included. Available.

SiriusXM® TRAFFIC PLUS SiriusXM Traffic Plus™: Avoid congestion before you reach it. Get continuous updates on traffic speed, accidents, construction, road closures and more, before you begin your travels. You will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic Plus™ service are included. Available.

SIRIUSXM® SATELLITE RADIO® With the SiriusXM All-Access¹ package, you get every channel available on your satellite radio, including commercial-free music, plus talk and entertainment. You can access over 150 channels of commercial-free music, news, talk and more, all in one place. Available.

SiriusXM® TRAFFIC PLUS adds convenience by providing useful information when you need it. Get detailed weather maps, five-day forecasts and severe weather alerts, as well as sports scores and in-game weekly schedules on your favorite teams. Information on fuel prices in your area and more. Your first five years of SiriusXM Traffic Plus™ service are included. Available.

Image is for illustrative purposes only and may not reflect exact software for your vehicle.
PHONE/TEXT Make hands-free phone calls on your vehicle or use your voice to send a text. Available Apple CarPlay® and Android Auto® casts your phone’s familiar interface onto your Uconnect® touchscreen, for a seamless and convenient mobile experience. Turn up the tunes with Bluetooth®-enabled phones. The Do Not Disturb feature allows you to see a visual prompt of incoming calls or texts and send an automated reply.

INTEGRATED VOICE COMMAND Keep your eyes on the road and hands on the wheel. Use your voice to select music stations, make calls, select navigation destinations, set cabin temps, or show fuel prices.

NAVIGATION Dinner reservations at the new place in town? Uconnect employs GPS navigation for audible turn-by-turn directions, and detailed 3-D maps help to assure you arrive on time. The NAV is integrated onto your 7-inch Driver Information Display so you can see directions front and center. Use Voice Command and say the complete address, city and state, and get directions quickly.

ENTERTAINMENT Listen to your favorite playlist from your connected device, then flip to SiriusXM® Satellite Radio® and enjoy the best commercial-free music, plus every major sport and the biggest names in entertainment, news and comedy. You’ll get over 150 channels, all at the press of a button.

DRAG AND DROP MENU Highlight your top six favorite features and services so they’re always in sight on your 8.4-inch Uconnect touchscreen display.

TOUCHSCREEN CONTROLS Set temperature controls, activate heated seats and steering wheel, and so much more—all from the touchscreen.

EMERGENCY HELP In the event of an incident, push the SOS Call® button. You’ll be connected to a SiriusXM Guardian® agent who contacts 9-1-1, provides your location, and stays on the line with you until help arrives. The Roadside Assistance Call® button puts you in touch with an agent who can get you help while you’re out on the road. Both safety features are available with SiriusXM Guardian.

Drive more, worry less. SiriusXM Guardian® is designed to keep you connected on the road with services like SOS Call®, Roadside Assistance Call®, Remote Vehicle Start®, Send & Go™, and Stolen Vehicle Assistance.
No matter your destination, Latitude ushers you in comfort and style. Deep-tint privacy glass, front fog lamps, body-color door handles, power-adjusting heated mirrors, all black hood Rally Deko strips, and Black roof rails add sophistication. Welcome standard and available features include unique Hex cloth and vinyl-trimmed seats and a leather-wrapped steering wheel with voice and cruise controls. Ambient LED interior lighting and a fourth-generation Uconnect® 5-inch color touchscreen radio add elegant practicality. With all of its premium options, Latitude has arrived to take you in a very beautiful direction.
REMOTE START: Just press the button on your key for a few minutes prior to takeoff, from as much as 300 feet away. You’re ready to roll with a nicely heated or cooled cabin. (Automatic transmission required.)

HEATED STEERING WHEEL: Nothing beats the instant warmth you feel when you grab a leather-wrapped heated steering wheel in winter’s cold.

HEATED FRONT SEATS: Driver and front passenger seats have two selectable settings that provide just the right amount of heat where it really counts.

ALL-SEASON FLOOR MATS: Keep mud, rain and snow at bay with rubberized mats that help protect the carpet below.

WINDSHIELD WIPER DE-ICER: When Mother Nature gets seriously cold and snowy, a specially placed interior heating element keeps your wipers free of slush so they can keep doing their job.

REVERSIBLE CARGO MAT: Change with the seasons. The Cargo Floor Mat is soft-pile carpet on one side, vinyl on the other and washable all-over.

*Available on Sport, Latitude and Trailhawk.®
Limited in Redline Pearl Coat

SECURE ADVANTAGES FOR WISE TRAVELERS

The all-new Compass incorporates over 70 standard and available safety and security features. These active and passive systems give you an exceptional tool kit of confidence. Travel with welcome peace of mind knowing your Compass is equipped to notify you or take action on your behalf should the need arise.

Chassis Strength: Compass delivers exceptional peace of mind with a hero's heart—a strong unibody structure engineered with approximately 70% hot-stamped steel. Standard.

Antilock Brake System: Next-generation engineering allows this advanced system to continually evaluate road conditions for optimal engagement and stopping distances. This robust system includes Rain Brake Support, Advanced Brake Assist, Hill Start Assist, and all-speed traction control. All working together to help maintain vehicle control during emergency braking. An Electric Parking Brake (EPB) adds an additional measure of safety with its customizable Auto Apply feature. Set Compass to automatically apply EPB when in Park or in the “key off” position. When you turn on the vehicle and drive, EPB conveniently and automatically releases. Standard.
360 DEGREES OF PROTECTION

Compass knows the way to help you and your passengers arrive safely and securely. Its ability to remain on the alert is due to an array of available, sophisticated sensors and cameras. These advanced systems constantly earn your trust as they continually monitor your perimeter and the real-time status of many vehicle operations.

7 STANDARD AIR BAGS* Full-length side curtain front and rear passengers, Driver inflatable knee bolster air bags seat-mounted side for front occupants, and advanced multistage front air bags all work together to help surround you with confidence. Standard.

FULL-SPEED FORWARD COLLISION WARNING WITH ACTIVE BRAKING Sensors detect when Compass may be approaching another vehicle too rapidly and send an audible and visual alert to the driver along with providing a brake jerk warning from advanced brake assistance if the driver does not react in time. Available.

LANESENSE® LANE DEPARTURE WARNING WITH LANE KEEP ASSIST Provides a visual and haptic or steering-wheel movement warning should the vehicle drift outside of lane boundaries or if the driver's hands are off the wheel. Available.

PARKSENSE® REAR PARK ASSIST SYSTEM Compass can help you park and back out with ease. This system uses rear ultrasonic sensors to determine relative distance to objects in your back-up pathway. Read-outs in the Driver Information Display notify the driver of rear object proximity. Available.

PARKVIEW® REAR BACK-UP CAMERA Back up safely with grace. This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react. Standard.

BLIND SPOT MONITORING AND REAR CROSS-PATH DETECTION These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you’re notified via illuminated icons on sideview mirrors or an audible chime. Available.

SAFETY & SECURITY
SAFETY & SECURITY

ELECTRONIC STABILITY CONTROL (ESC)
A vehicle-wide network of safety sensors provides instant aid should they detect you are veering off your intended path. ESC coordinates Electronic Roll Mitigation, Hill Start Assist, antilock brake system and Advanced Brake Assist, all-speed traction control and Trailer Sway Control, sending them into action when needed. Standard.

RAIN-SENSITIVE AND INTERMITTENT WINDSHIELD WIPERS
Storm clouds hold little influence over your daily drive. Front wipers activate when raindrops are detected, and can be set to slower, intermittent speeds as conditions change. Available.

WINDSHIELD WIPER DE-ICER
Maintain a clear view during snowy weather. Heating elements on the lower inside windshield glass help keep wipers free from ice. Available.

INTEGRATED VOICE COMMAND WITH BLUETOOTH®
Allows driver to safely send, reply to or listen to a text, take or make phone calls, request detailed information like fuel prices, get navigation directions and more while keeping both hands on the wheel. Available on Bluetooth®-compatible smartphones.

UCONNECT® WITH SIRIUSXM GUARDIAN®, SOS CALL AND ROADSIDE ASSISTANCE CALL
A direct connection to help is right at hand with SiriusXM Guardian®. Two buttons on the auto-dimming rearview mirror offer connections for an SOS call, or press the Assist button to quickly summon roadside help. Theft Alarm Notification and Stolen Vehicle Assistance provide added peace of mind. Available.

TRAILER SWAY CONTROL (TSC) Works with ESC to help you keep your tow load safely on course. Standard.

PASSIVE ENTRY
A feature of Keyless Enter ‘n Go, this automatically unlocks the door or liftgate upon grabbing the handle, provided the key fob is near your vehicle. Press a small button on either front door to lock all doors and liftgate. Available.

TIRE PRESSURE MONITORING SYSTEM
Sensors immediately provide notification via the Driver Information Display if pressure drops below the minimum acceptable level on any tire. Standard.

SECURITY ALARM
Protects doors, liftgate and hood. Available.

ROLL START ASSIST
Helps prevent Compass from rolling backwards when starting on an uphill gradient. It holds the vehicle stationary for approximately one second after the driver’s foot is removed from the brake pedal, allowing time to apply the throttle. Standard.

ELECTRONIC ROLL MITIGATION (ERM)
As an extension of ESC, ERM uses sensors to anticipate potential risk situations. If things get rough, ERM takes immediate action to help you maintain control and stability. Standard.

BATTERY RUN-DOWN PROTECTION
Helps prevent your battery from becoming discharged, so you’re always ready to go. Standard.

FRONT SEAT ACTIVE HEADRESTS
Lost is the New Found
