DARE
WHY DO WE CALL IT JEEP® ACTIVE DRIVE®? BECAUSE THESE TWO 4x4 SYSTEMS CAN ACTIVELY TRANSITION FROM 4x4 INTO FUEL-SAVING FRONT-WHEEL DRIVE IF WIDELY FOR A WELCOMED GAIN IN EFFICIENCY. JUST KEEP THE SYSTEM'S STAND-ALONE® DIAL IN AUTO MODE AND RENEGADE® WILL SEAMLESSLY MATCH ITS JEEP® ENGINEERED CAPABILITY TO ANY ROAD CONDITION. TURN THE DIAL TO ANY OTHER MODE, AND 4x4 CAPABILITY IS ALWAYS ENGAGED.

CAPABLE OF SUPER POWERS

Both Jeep, Active Drive systems can keep you moving forward, even when just one wheel has traction on the ground. When this occurs, each system will automatically and seamlessly adjust to thrust a portion of the engine's power to the wheel (or wheels) with ground contact. This allows Renegade® to really grab on and keep you moving forward.

This single-speed unit sends power generated from the engine and transmission to the wheel(s) that needs it the most. This helps create the system's enhanced traction and dynamic driving performance.

Both Jeep® Active Drive systems can keep you moving forward, even when just one wheel has traction on the ground. When this occurs, each system will automatically and seamlessly adjust to thrust a portion of the engine's power to the wheel (or wheels) with ground contact. This allows Renegade® to really grab on and keep you moving forward.

The class-exclusive® disconnecting rear axle helps make Renegade one of the most fuel-efficient small 4x4 SUVs in its class. It can switch from 4x4 into FWD mode when Select-Terrain® in in Auto mode, providing a noticeable uptick in mpg.

This single-speed unit sends power generated from the engine and transmission to the wheel(s) that needs it the most. This helps create the system's enhanced traction and dynamic driving performance.

Both Jeep® Active Drive systems can keep you moving forward, even when just one wheel has traction on the ground. When this occurs, each system will automatically and seamlessly adjust to thrust a portion of the engine's power to the wheel (or wheels) with ground contact. This allows Renegade® to really grab on and keep you moving forward.
No matter where you are, tackle Mother Nature’s toughest conditions with the help of the available Select-Terrain® Traction Management System, with the class-exclusive Select-Terrain dial, standard on every Jeep, Active Drive 4x4 system. Five selectable settings help deliver safe and secure driving stability so you can explore the wonders of the world as you see fit: Choose from Auto, Snow, Sand and Mud modes, and exclusive on Trailhawk® – the addition of Rock mode. You’ll dial in to authentic 4x4 capability that can take you to places others only dream of reaching.
In Auto, Select-Terrain® does all the work, automatically adjusting vehicle dynamics to gain fuel efficiencies while allowing Renegade's performance to best suit the terrain.

Achieves impressive performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems automatically managed in this mode include antilock brakes and traction control.

Maximizes low-speed traction by allowing additional wheel slip via specifically tuned chassis controls, differentials and transmission ratios that are geared to successfully tackle mud.

This allows Renegade to command the world's most challenging terrain. 4x4 capability thanks to its rear-differential locking element.

This available mode exclusive to Trailhawk® delivers low-speed

- **SNOW**
  - Achieves impressive performance over snow- and ice-covered roads by maximizing vehicle stability and minimizing oversteer. Major systems automatically managed in this mode include antilock brakes and traction control.

- **ROCK**
  - The system converts to a uniquely calibrated sand mode that utilizes an aggressive throttle and up-shift points to tackle looser, sand-covered surfaces.

- **SAND**
  - The system converts to a uniquely calibrated sand mode that utilizes an aggressive throttle and up-shift points to tackle looser, sand-covered surfaces.

BADGE OF HONOR
Every Renegade Trailhawk proudly wears a Trail Rated® badge indicating it has been tested to perform masterfully in five categories: Traction, Ground Clearance, Maneuverability, Articulation and Water Forging. DO YOU KNOW WHERE YOU’RE CAPABLE OF GOING? JEEP® RENEGADE TRAILHAWK® TESTS YOUR WILL AND ALWAYS LETS YOU WIN. IT WAS PROVEN ON SOME OF THE WORLD’S MOST INTIMIDATING TRAILS, TO RISE ABOVE ALL THE REST. RENEGADE IS LIKE NO OTHER SMALL SUV ON THE PLANET, DESIGNED TO TAKE YOU TO BRAND-NEW HEART-Pounding, TRAIL-RATED HEIGHTS.
WE GO ALL OUT FOR ALL IN CROWNED BEST-IN-CLASS® FOR ITS INTERIOR VOLUME, RENEGADE LETS YOU PACK IT ALL IN. YOU’VE GOT LOTS OF ROOM TO MOVE AROUND AND PLAY WITH, SO BRING IT ON. LET NO TOY BE LEFT BEHIND.

MORE THAN A FEW NEW TRICKS

Renegade is ready to accommodate all kinds of cargo and passenger configurations with its best-in-class® interior volume and available 40/20/40 split-folding rear seat with pass-through. Turn down the “40/20” sections to carry a good amount of stuff in the back, leaving the remaining “40” section open for that much-needed third passenger — the one who’s willing to carry the heavy loads.

INTERIOR VOLUME
CROWNED BEST-IN-CLASS® FOR ITS INTERIOR VOLUME, RENEGADE LETS YOU PACK IT ALL IN. YOU’VE GOT LOTS OF ROOM TO MOVE AROUND AND PLAY WITH, SO BRING IT ON. LET NO TOY BE LEFT BEHIND.

ADJUSTABLE CARGO FLOOR
When there’s stuff to move, Renegade’s available height-adjustable rear cargo floor stands ready to provide increased cargo space when back seats are folded down. Raise it up for easy, slide-in loading or lower it to have more room to carry taller items.

TRAILHAWK® SHOWN IN GLACIER METALLIC
Those who yearn for the sky will find much more than the sun. We are searchers on a quest to discover. Because every journey matters, as well as those who come along.
OPEN UP

MY SKY™
CLASS-EXCLUSIVE
OPEN-AIR SUNROOF SYSTEM

LATITUDE SHOWN IN COLORADO RED
SEE MORE OF EVERYTHING IT’S MORE THAN A SUNROOF.
THE AVAILABLE MY SKY™ CLASS-EXCLUSIVE OPEN-AIR
SUNROOF SYSTEM CONSISTS OF TWO EASILY REMOVABLE PANELS, OPTIMALLY SIZED FOR FLAT STORAGE IN THE CARGO AREA. PANELS ARE LIGHTWEIGHT, STRONG AND HELP MAINTAIN CABIN ACOUSTICS. MY SKY OPENS UP YOUR WORLD AND BRINGS IT ALL IN.

OPTION 1: POWER RETRACTABLE This available option lets you open My Sky with the push of a button. It operates like a traditional sunroof system, allowing fore and aft ventilation. When power is not needed, both panels can be manually removed.

OPTION 2: MANUALLY REMOVABLE FRONT AND REAR PANELS For a full-on fresh-air experience, this available option lets you manually take both panels off. Each panel weighs a mere 10 pounds and can be easily taken off and replaced by one person.

FRONT PANEL REMOVED Open the front panel to give the driver and front passenger a dose of fresh air. For manual panel removal, the vehicle must be parked. A special key attached to the fob unlocks and releases the panels so they can be lifted out.

ROOF PANEL STORAGE BAG when you remove the My Sky panels, slip them into their own special storage bag. It helps protect them from damage and fits nicely into the rear cargo area.

MY SKY™ PANELS ARE EMBOSSED WITH A STRENGTH-ENHANCING X-FORM AND MADE OF A COMPOSITE HONEYCOMB STRUCTURE FOR EXCELLENT ACOUSTIC QUALITIES, RIGIDITY AND LIGHTWEIGHT REMOVAL.
It’s a beautiful thing: powerful drive combined with a strong responsibility to deliver a consistently efficient performance. All of it wrapped in a body that demands to be appreciated – stunning at every turn.
IT’S DESIGNED TO TAKE YOU FAR IN MORE WAYS THAN ONE

NINE-SPEED AUTOMATIC TRANSMISSION

Efficient, responsive and smooth with nine gears to shift through, economies are maximized and performance is always optimal, thanks to Renegade’s advanced architecture and design.

Class-Exclusive

9-Speed Automatic Transmission
An exclusive offering in the small SUV arena, this available automatic transmission operates with precision when it’s matched to the 2.4L Tigershark® engine. Its fine-tuned 9.79 ratio spread between gears ensures quick takeoffs and consistently refined performance with exceptional efficiencies through all gears at all speeds.

6-Speed Manual Transmission
Matched with the 1.4L MultiAir® Turbo engine, this manual transmission is able to transmit high maximum torque values and aids efficiency, moving through shifts with smooth gear transitions. Cabin noise is kept to a minimum.

A meticulously sculpted exterior helps Renegade cut through the air with minimal drag to provide yet another boost to its efficient performance.
MultiAir technology utilizes electrohydraulic valves for more direct control of air and combustion, improving power up to 10 percent*, fuel efficiency up to 10 percent* and torque up to 15 percent*. Emissions, in turn, are cut an impressive 40 percent*.

Acclaimed for its unique and efficient valve-lift system, the Tigershark incorporates a column of oil flow with precise control of intake valve events. This i-4 burns clean, improves fuel efficiency and reduces emissions with a quiet and refined ride.

**1.4l MultiAir® Turbo Engine**

- Horsepower: 160
- Torque: 184 lb-ft

**2.4l Tigershark® Engine**

- Horsepower: 180
- Torque: 175 lb-ft

Pull a ton of toys Outfit Renegade with the optional Trailer Tow Group and own bragging rights to 2,000 lb best-in-class towing capability. You’ll get a Class III hitch receiver and a 7- and 4-pin wiring harness (requires 2.4-l engine). It’s a must-have option for everyone who’s got the stuff that makes doing stuff a lot more fun.

Properly secure all cargo. *Percentages based on averages when compared to “non-MultiAir” equipped engines.
FORWARD COLLISION WARNING (FCW) PLUS 15 radar sensors detect when renegade may be approaching another vehicle too rapidly and send an audible and visual alert along with a brake jerk if the driver does not react in time. includes Advanced Brake Assist (ABA), which increases brake pressure if the driver isn’t braking enough, and the collision Mitigation system (CMs) reacts if the driver doesn’t, which will actuate the brake system to avoid a collision. Available.

BLIND SPOT MONITORING (BSM) AND REAR CROSS-PATH DETECTION 12 These sentry systems constantly monitor the space between you and other drivers via dual wideband radar sensors located in the rear quarter panels. When a side or rear blind spot is encroached, you’re notified via illuminated icons on sideview mirrors. Rear Cross-Path Detection* notifies you of vehicles crossing your path when in Reverse or backing out of a parking space. Available.

LANESENSE ® LANE DEPARTURE WARNING (LDW) PLUS 14 The vehicle’s lane position is monitored by a camera mounted near the rearview mirror and, should the driver drift outside of lane boundaries and no turn signal is applied or if the driver’s hands are off the wheel, a visual warning through the driver information display (did) is given and steering-wheel movement is felt. Available.

RENÉGADE OFFERS MORE THAN 70 AVAILABLE SAFETY AND SECURITY FEATURES. MANY OF THEM CAN BE VIEWED AND CONTROLLED THROUGH THE DRIVER INFORMATION DISPLAY (DID) ON RENEGADE’S INSTRUMENT PANEL.

360° PROTECTION

PEACE OF MIND BEGINS WITH SEVEN STANDARD AIR BAGS. Your sense of security is fully met with Renegade’s all-around air bag system. Full-length front and front side-curtain, driver inflatable knee bolster, seat-mounted side for front passengers, and advanced multistage driver and front passenger air bags all work in tandem to help provide encompassing protection. Standard.

ELECTRONIC STABILITY CONTROL (ESC) A vehicle-wide network of safety sensors provide instant aid should they detect you’re veering off your intended path. ESC coordinates Electronic Roll Mitigation (ERM), Hill Start Assist (HAS), anti-lock brake system (ABS) and Brake Assist, ab-sided traction control and Trailer Sway Control (TSC), sending them into action when needed. Standard.

UCONNECT® VOICE COMMAND Allows driver to safely send, reply to or listen to a text, take or make phone calls, request detailed information like fuel prices, get navigation directions and access both hands on the wheel. Available on Bluetooth®-compatible smartphones.

TRAILER SWAY CONTROL (TSC) Crosswinds and traffic hold no sway over you and your payload. As part of ESC and ESC, TSC helps keep you and the toys you are towing safely on course. Standard.

CHASE STRENGTH Renegade drivers understand that peace of mind — a strong unibody structure is constructed with nearly 70 percent high-strength steel, Standard.

ELECTRONIC ROLL MITIGATION (ERM) As an extension of ESC, ERM employs ESC sensors to anticipate potential risk situations. If things get rough, ERM takes immediate action to help you maintain stability and remain under control. Standard.

UCONNECT ACCESS® WITH 9-1-1 CALL AND ROADSIDE ASSISTANCE CALL A direct connection to help is right at hand with Uconnect Access®. Uconnect Access® is the first benchmark in emergency vehicle assistance. Two buttons on the overhead console offer connections. To use 9-1-1 center®, or press “Assist” to quickly summon roadside help. Available.

PARKSENSE ® REAR PARK ASSIST SYSTEM® This available system can help you park and back out with grace. It uses rear ultrasonic sensors to determine relative distance. Readouts in the did notify the driver of rear object proximity.

PARKVIEW ® REAR VIEW BACK-UP CAMERA® Back out safely with grace. The system helps bring awareness to hidden rear objects to your attention, and provides good time to react. Dynamic grid lines help guide the driver by bending with the degree of steering.

LANESENSE ® LANE DEPARTURE WARNING (LDW) PLUS The vehicle’s lane position is monitored by a camera mounted near the rearview mirror and, should the driver drift outside of lane boundaries and no turn signal is applied or if the driver’s hands are off the wheel, a visual warning through the Driver Information Display (DID) is given and steering-wheel movement is felt. Available.

FORWARD COLLISION WARNING (FCW) PLUS Radar sensors detect when Renegade may be approaching another vehicle too rapidly and send an audible and visual alert along with a brake jerk if the driver does not react in time. Includes Advanced Brake Assist (ABA), which increases brake pressure if the driver isn’t braking enough, and the Collision Mitigation System (CMS) reacts if the driver doesn’t, which will actuate the brake system to avoid a collision. Available.

LIFE CALLS AND WE RESPOND. WE SEEK AND FIND NEW EXPERIENCES. WE CONNECT AND MOVE AHEAD.
TEEMING WITH TECH
Renegade sets you up with popular options like a premium 6.5-inch touchscreen audio system with navigation, Uconnect® hands-free communication and texting, and an available 7-inch full-color Driver Information Display (DID) cluster that puts an array of vehicle stats on your dashboard. One standard USB port and another is available, so you can power up a number of devices.

INTERIOR TEC-TONIC FASHION
This unique cabin is designed with an array of textures, fabrics, soft-touch surfaces, and bezel and trim surrounds that add a kick of anodized color. Available leather-trimmed seats are contoured and cushioned for cruising, and accented with eye-catching contrasting stitching.

MADE TO HANDLE IT ALL
Your Jeep® brand steering wheel arrives with standard steering wheel audio controls and available stitch-accented leather wrapping, with buttons for available cruise, voice and phone control. You’ll have hands-free access to vehicle performance data, and much more, too. Front seat passengers can take hold of the grab handle, taken straight from Wrangler’s legendary playbook.
LIMITED SHOWN IN THREE-TONE BARK BROWN/TANGERINE/SKI GRAY LEATHER/TEX CLOTH
Contoured seats give you cushion where it counts, with a standard six-way adjustable driver seat and four-way adjustable front passenger seat. Upgrade to an eight-way power-adjustable driver seat with four-way power lumbar adjustment, for exceptionally comfortable adventures. Renegade makes a big space for head and shoulder room, so no one feels too boxed in. Rear-seat foot room is helped by wide front-seat tracks.
The available premium sound system maximizes every square inch with studio-quality sound from nine top-line speakers, including a 6.5-inch subwoofer in the rear. This eight-channel performance pumps out 506 watts of power that can definitely make your presence known.

9-SPEAKER PREMIUM AUDIO SYSTEM

+ 9 speakers
+ 506-watt amplifier
+ 6.5-inch subwoofer

PLAY YOUR OWN WAY. GO FOR RENEGADE’S BASE FOUR-SPEAKER SYSTEM, OR RAISE IT UP A NOTCH TO THE SIX-SPEAKER SYSTEM THAT’S PAIRED WITH THE UCONNECT 5.0 OR 6.5-INCH RADIO. OR FOR THE PREMIUM 9-SPEAKER SOUND SYSTEM TO IMMERSIZE YOURSELF IN THE NEXT BIG THING.
More than comfort and convenience, Jeep® Renegade has the power to help you feel safer, better informed and exceedingly comfortable. It’s a concept well worth grasping.

**Dual-Zone Climate Control**

Dual-Zone Automatic Temperature Control (ATC) constantly adjusts the air temperature inside the cabin to create a customized environment. Available.

**Heated Front Seats**

These automatically warmed front seats will warm your heart. Both passenger and driver have two selectable settings that provide just the right amount of heat where it really counts. Available.

**Remote Start**

Just press the button on your key fob a few minutes prior to takeoff, from as much as 200 feet away. You’re ready to roll with a nicely heated or cooled cabin. Available.

**Heated Steering Wheel**

Nothing beats the instant warmth you feel when your hands grab a leather-wrapped heated steering wheel in winter’s cold. Available.

**Power/Heated Sideview Mirrors**

Keep snow and ice from disturbing your view — it will just melt away. You can easily adjust your mirrors from inside the cabin, as well. Available.

**Keyless Enter ‘n Go**

No more fumbling for keys to get going. Keep the key fob in your purse or pocket and you can simply grab the door handle, climb in, press on the brake, press a button and shift into “GO.” Available.

**Windshield Wiper De-Icer**

When Mother Nature gets seriously cold and snowy, a specially placed interior heating element keeps your wipers free of slush so they can keep doing their job. Available.

**All-Season Floor Mats**

Keep mud, rain and snow at bay with full-coverage, carpeted protection.

**Cold Weather Group**

When the sun goes down, you stay safe and warm with this bundle of play-all-day essentials.

**Voice Command Control**

Pair your Bluetooth® enabled phone and you can use your voice to safely make phone calls. And, depending on selected options, you can use this button to speak to select radio stations or SiriusXM® satellite channels, help receive, dictate and send text messages, control the navigation system, set cabin temps and more.

**Cruise Controls**

Accelerate, slow down or set a specific speed with the press of a button.

**Driver Information Display (DID) Control**

Whether you have the 3.5-inch monochrome display shown (standard on Sport and Latitude in the 7-inch full-color display (standard on Trailhawk® and Limited), fingertip operation scrolls you through a rich selection of vehicle data.

**Power-Heated Sideview Mirrors**

Keep snow and ice from disturbing your view — it will just melt away. You can easily adjust your mirrors from inside the cabin, as well. Available.
IT’S ALL ABOUT CONNECTING

Here’s what you can do:

Remain focused on the road with your hands on the wheel, while you communicate, navigate, and stay entertained.

**Connect** to every adventure
Set turn by turn directions so you don’t get lost on the way.

**Listen** to music, talk shows, and sports
Access all genres, favorite artists, winning teams—all the time with SiriusXM Satellite Radio.

**Discover** new places
Find the best shopping, dancing, entertainment venues and restaurants.

**Speak up and be heard**
Send and receive calls and texts while driving safely with hands-free phone capability.

**Assisted in emergencies**
Reach 9-1-1 operators and roadside assistance with the touch of a button.

**Start your car from afar**
Get your engine running, unlock your doors or flash your headlights from almost anywhere using your phone.

**See into the future**
Hear weather and traffic reports with a five-year trial subscription to SiriusXM Travel Link and SiriusXM Traffic.*

**Host a hotspot**
Upload and download, post and search Uconnect with available Wi-Fi. Let’s you connect your devices to the web.

*Available with Uconnect and/or Uconnect Access.
TAKE IT ON THE ROAD

**SiriusXM Travel Link**

It doesn’t get any better than this. With the SiriusXM® package, you get every channel available on your satellite radio, including commercial-free music, sports, news, talk and entertainment. Plus, listen wherever you go on your portable devices with a SiriusXM Internet Radio® subscription included with your one-year trial. Enrich your travel experience.

**SiriusXM Traffic**

With SiriusXM Traffic™ you can avoid congestion before you reach it. Get detailed information on traffic speed, accidents, construction, road closures and more, and you will get to your destination faster and more easily than ever before. Your first five years of SiriusXM Traffic™ service are included. Available.

**SiriusXM Weather**

Receive National Weather Service-issued emergency alerts for flooding, winter weather, tornadoes and more. Weather radar provides information on storm direction, speed and track, for a range of severe weather conditions. Current conditions and five-day forecasts help you adjust travel plans accordingly. Your first five years of SiriusXM Travel Link™ are included.
