THE ALL-NEW WRANGLER
Discovering new pathways to explore and persisting in the face of all obstacles has been the bedrock of our evolution.
A BRAND-NEW PATH TO THE TOP

IT'S AN EPIC EVOLUTION, WHERE DESIGN AND TECHNOLOGY TAKE A GIANT LEAP FORWARD. THIS ALL-NEW WRANGLER SURGES AHEAD, BRINGING WITH IT THE SPIRIT OF FREEDOM AND A PASSION FOR ADVENTURE. IT TAKES ON NEW LIFE WHILE RETAINING AN ICONIC PRESENCE RECOGNIZED AROUND THE GLOBE.
THE GEAR YOU CHOOSE MATTERS
HOW DO YOU TOP THE GREATEST WRANGLER EVER?

THREE WAYS TO TOP THE BEST Access to the open air, anywhere, is the uncontested right of every Wrangler owner. Three top style options make transitioning to fresh-air freedom easier than ever. Wrangler’s standard Sunrider® Soft Top is now zipperless with spring-assisted folding, so opening up is faster than ever. The Freedom Top® modular hardtop has lighter, easier-to-remove front panels. And the brand-new Sky One-Touch™ Power Top lets you bask in the bright rays of the sun within seconds with the simple push of a button.

WHEELS AND TIRES New and standard 33-inch All-Terrain off-road tires provide exceptional grip. Plus, Rubicon® wheel flares are designed to provide clearance for 35-inch tires with two additional inches of lift.

VENTED HOOD AND FENDER Rubicon is purpose-built for extreme exertion, which can affect temps in the engine compartment. Hood and fender vents work to prevent overheating, keeping the systems cool and functioning properly.

FOLD-DOWN WINDSHIELD AND REMOVABLE™ DOORS Four windshield bolts to quickly fold down the windshield, securing it with provided straps. Side doors are made of lightweight aluminum and are now easier to remove with included tool.

OFF-ROAD ARMOR Add guard detail to help prevent body damage. Off-road rock rails are standard on Rubicon® and constructed of heavy-gauge steel with Satin Black powder coating, giving exceptional lower-body protection.

BODY-COLOR SPORT BAR WITH BUILT-IN SOUND BAR SPEAKERS Matched to the body-color of your Wrangler, the sport bar now blends in with the top up, and stands out with the top down. Built-in waterproof speakers deliver a Surround Sound experience.

FUEL-FILLER DOOR Made of aluminum and powder-coated Satin Black, the fuel door protects the fuel cap on Rubicon from debris and damage with an integrated body detail.

*A note about this brochure: all disclaimers can be found on the inside back cover.
TWO-DOOR/FOUR-DOOR The adventures will always be big, but how you ride through them is up to you. No matter which style you choose, the all-new Wrangler boasts improvements from every angle. The two-door Wrangler sports a classic profile and unmatched maneuverability, while the four-door Wrangler Unlimited has a formidable presence with expansive cargo capacity and room for five adults, including improved rear-seat leg room.

ICONIC GRILLE The face of the Jeep® Brand is recognized around the world. The iconic pairing of round headlamps and a seven-slot grille reflects more than 75 years of the Go Anywhere, Do Anything® spirit of freedom.

WINCH-READY BUMPER AND TOW HOOKS Now your Wrangler can arrive prepped for heavy use with a new, available winch-ready steel bumper, along with two always-standard front tow hooks.

LED LIGHTING When you want to illuminate more of the road ahead, available LED lamps do the trick. They’re proven to throw more illumination down the road than less-powerful lighting systems. Go for the available LED Lighting Group to populate all exterior lights.

LIGHTWEIGHT SWING GATE WITH OPTIONAL TRAIL RAIL™ CARGO SYSTEM Constructed of high-strength magnesium and aluminum that reduces overall vehicle weight and aids efficiency and operation. Inside, the available Trail Rail™ Cargo System lets you easily accessorize and organize cargo.

PARKVIEW® REAR BACK-UP CAMERA® A camera mounted in the hub of the spare tire gives drivers a good look at the area behind the vehicle. The image appears on the Uconnect® touchscreen. A welcome new safety feature sure to save worry, dents and dings.

AVAILABLE STEEL REAR BUMPER Reinforced to withstand the punishment of the toughest trails out there. A rear tow hook is ever-present, so you can use your vehicle’s strength to help those whose bravery exceeds their ability.
AMAZING VIEWS

Engineers and designers joined camps to revisit every inch of Wrangler’s cabin. The exceptional quality of materials, the solid fit and finish, smartly placed controls, and a robust offering of upgraded conveniences hand over a premium driving experience that drivers and passengers immediately notice.
THE FACE OF FREEDOM
FROM THE VERY START

BEGINNINGS The first mass-produced Jeep® Brand vehicle is introduced in 1941. Its 4WD system is tested and proven around the world and has influenced every 4x4 manufactured ever since.

A NEW CLASSIC The CJ-5 featured rounded body lines, softer seats and larger leaf springs. The CJ-7 arrived in 1976, with a longer wheelbase that made room for an automatic transmission, Quadra-Trac® 4WD and removable hardtop and doors.

ALL IN A NAME Appearing for the first time in 1987 and forevermore, the name “Wrangler” fit perfectly with the vehicle’s inherent spirit.

OUT OF THE BOX The much-anticipated 2003 Wrangler Rubicon® arrived fully equipped with locking differentials and mud tires, ready to conquer the trails.

WRANGLER GOES BIG The new JK “Unlimited” arrives in four-door form for the very first time beside the classic two-door style. Now five adventurers can head out, all under one roof.

THE NEW FACE OF FREEDOM The all-new 2018 Wrangler adds a range of advanced technology, as well as an evolution of style.
CLASS V
CAPABILITY
Rubicon® Unlimited in Firecracker Red
PROVEN TO EXCEL 
EVERY WRANGLER IS DESIGNED AND BUILT TO EXCEL IN FIVE DISTINCT AREAS OF PERFORMANCE. THIS ENSURES THAT YOU CAN DEPEND ON IT TO MASTER THE TOUGHEST ROAD AND WEATHER CONDITIONS.

WRANGLER X THE DEFINITIVE GUIDE / CAPABILITY
COMMAND-TRAC® 4x4 SYSTEM

For off-road and all-weather capability, this part-time, shift-on-the-fly system divides torque 50/50 between front and rear axles for tough traction. The NV231 GII transfer case shifts smoothly from 2WD to 4WD at speeds up to 40 mph. For serious rock-crawling, its 2.72:1 low range ensures confidence. (Standard on Sport and Sahara.)

ROCK-TRAC® 4x4 SYSTEM

Rubicon® rides with this extreme 4WD system. Its 4:1 low-gear ratio allows Wrangler Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. (Standard on Rubicon.)

SELEC-TRAC® FULL-TIME 4x4 SYSTEM

This proven Jeep® Brand four-wheel-drive system, with its active 400:1 transfer case, does all the thinking so you can concentrate on the scenery. Selec-Trac® analyzes the situation for you and sends torque to the wheels with the most grip. The system provides continuous, optimum traction that effortlessly conquers snow, ice, rocks, mud and everything in between. The system’s Smart Lock maintains constant 4WD action when you take to the trail or face challenging road conditions. Available on Sahara.
It has starred as the engine for Jeep® Wrangler since 2012, with a much-celebrated award-winning performance history. Enhancements to this proven road star include weight reductions that boost the engine’s performance, and friction-reducing applications that ensure its smooth operation. Fuel economy improvements of nearly 11 percent compared to the previous Pentastar generation add even more value. The engine’s increased efficiencies are harnessed by the addition of Engine Stop/Start (ESS) technology, while it remains a brawny performer, boasting 285 horsepower and 260 lb-ft of torque. Available with a 6-speed manual or 8-speed automatic transmission.

ENGINE STOP/START TECHNOLOGY (ESS) Say hello to this new feature on the 3.6L Pentastar engine. Its job is to help reduce CO₂ emissions and improve efficiency by using a dual-battery system and sophisticated controls to reduce fuel flow and turn off the engine when the vehicle brakes to a stop. When the brake or clutch pedal is released, the engine seamlessly restarts and the transmission engages.

This all-new engine performs with V6 muscle, yet sips fuel as an I-4 should. The 2.0L Turbo I-4 engine steps into a new world by offering fuel-saving/energy-generating functions that include Auto-Start-Stop, electric power assist, extended fuel shut-off, transmission shift management, alternator battery charging, and regenerative braking. Direct-injection boosts power while reducing emissions, and ESS technology improves fuel economy. It’s a perfect match of superior strength teamed up with welcome modern efficiencies. With its standard match to the new 8-speed transmission, you’ll enjoy strong takeoffs and smooth highway coasting.

ESS operates behind the scenes, virtually unnoticed, to help reduce fuel consumption by automatically shutting down the engine while stopped at traffic lights and highway snarls. It then restarts when the driver releases the brake or clutch pedal or presses on the accelerator pedal. Optimal powertrain efficiencies are realized by managing transmission shift schedules according to individual driving styles.

No worries about running down the battery power when the engine is off—an auxiliary electricity source operates accessories, such as heater and A/C blower fan, audio system, wipers and headlights.

TWO HEARTS, ONE SOUL

NOW YOU CAN CHOOSE HOW YOU WANT TO GET YOUR BLOOD PUMPING. THE ADDITION OF THE AVAILABLE 2.0L TURBO I-4 ENGINE HAS THE TORQUE AND POWER FOR FAST STARTS. THE RELIABLE 3.6L PENTASTAR® HAS THE BRAWN TO GET YOU AHEAD OF THE PACK, AND KEEP YOU THERE.
THE STRENGTH OF EIGHT

NEW 8-SPEED AUTOMATIC TRANSMISSION With smooth, quick efficiency, this transmission provides additional gears with no gain in weight, enhanced acceleration with reduced fuel consumption, and increased torque with added strength to pull.

WRANGLER

THE DEFINITIVE GUIDE / DRIVETRAIN

6-SPEED MANUAL TRANSMISSION New and improved, it has a 50 percent shorter shifter throw, lower 1st and Reverse gears for improved off-roading, and an added vent tube to help safely traverse higher water fording levels. It comes standard, matched to either a Command-Trac® 4WD system on Sport and Sahara® or paired with the Rock-Trac® 4WD system on Rubicon®.

PULLING POWER Wrangler Unlimited can confidently tow up to 3,500 lb when properly equipped with the available Trailer Tow and HD Electrical Group. Trailer Sway Control helps keep you and the toys you tow safely on course. Wrangler is also ideal for towing behind an RV, so you can bring open-air off-road capability wherever you go.

NEW 8-SPEED AUTOMATIC TRANSMISSION With smooth, quick efficiency, this transmission provides additional gears with no gain in weight, enhanced acceleration with reduced fuel consumption, and increased torque with added strength to pull.
ALL'S QUIET
The use of acoustic windshield glass and additional sound deadening on the dashboard and floor insulation help deliver the quietest Wrangler ever.

AERO IMPROVEMENTS
The raked windshield and round curves help the vehicle slip through the air with reduced drag.

LIGHTER IN WEIGHT
High-strength, lightweight aluminum is used throughout the doors, hood, windshield frame, swing gate, and fenders to help Wrangler shed over 200 lb. It’s strong, durable and aids efficiency.

ADVANCED DRIVETRAINS
Every component at the core of Wrangler’s drivetrain, from the all-new available 2.0L Turbo I-4 engine to the smooth-shifting 8-speed automatic transmission, has been designed to minimize weight and fuel consumption and maximize efficiency.

THE MOST AERODYNAMIC WRANGLER EVER REDUCES DRAG WITH DESIGN EFFICIENCIES THAT LET AIR SLIP AROUND ITS BODY AS SMOOTHLY AS POSSIBLE. IT’S ALSO THE QUIETEST WRANGLER EVER, DELIVERING A PREMIUM DRIVING EXPERIENCE THAT FEELS PLEASINGLY UPScale, AND THAT’S OKAY WHEN YOU’RE ALSO EXCEPTIONALLY CAPABLE AND STRONG.
HEAVY-DUTY SUSPENSION
Solid axles with locating arms, track/stabilizer bars, coil springs, a front steering damper and tunable monotube shock absorbers are firm at low speeds and more relaxed at higher speeds. (Standard on Sahara. ® A performance suspension is standard on Rubicon. ®)

1. WINCH-CAPABLE STEEL FRONT BUMPER
Engineered with ultra-strong steel and outfitted to accept a winch, this bumper is built to take the punishment of off-road trails. End caps are easily removable to help maneuver you through tight spots.

ELECTRONIC FRONT SWAY BAR DISCONNECT SYSTEM
To a switch and the sway bar can be disconnected in 4-Hi or 4-Lo. It automatically will reconnect at speeds above 18 mph and disconnect again under 18 mph, if selected. This allows the front suspension to travel up to 25 percent more on Rubicon® versus being connected.

IMPROVED CRAWL RATIOS
Maximized to deliver even more brawny boulder-pounding strength, the crawl ratio for Rubicon with a manual transmission is raised to 84:1, and to 77:1 when outfitted with the automatic transmission.

OFF-ROAD TIRES
Grabby and rugged, 33-inch Off-Road All-Terrain tires are standard on Rubicon.

TOW HOOKS
Two in the front and one in the rear are always standard, made from heavy-duty, forged steel and mounted directly to the frame.

ROCK RAILS
Heavy-gauge steel rock rails are mounted directly to the body for added off-road protection. (Standard only on Rubicon.)

SKID PLATES
Made from high-strength aluminum to withstand impact, these plates also help protect the underbody.

ROCK TRAC® 4x4 SYSTEM
Rubicon stands with this extreme 4WD system. Its 4:1 low-gear ratio allows Wrangler Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. (Standard only on Rubicon.)

2. TRU-LOK® LOCKING DIFFERENTIALS
Electronic-bypass differentials deliver maximum torque to both wheels, maintaining forward momentum, for the ultimate in RAW traction. An instrument panel-mounted rocker switch toggles either the rear or both sides. (Standard only on Rubicon.)

DANA® 44 HEAVY-DUTY SOLID AXLES
Dana axles with locating arms, track/stabilizer bars, coil springs, a front steering damper and heavy-duty, forged steel housings, large pinion bearings and above-center pinion mountings for a smooth and quiet operation. (Front and rear standard on Rubicon. Rear standard on Sport and Sahara.)

3. ROCK-TRAC® 4x4 SYSTEM
Rubicon stands with this extreme RAW system. It’s a 4:1 low-gear ratio allowing Wrangler Rubicon to crawl at a low speed for greater control and increases the amount of torque available at the wheels. (Standard only on Rubicon.)

OFF-ROAD TIRES
Grabby and rugged, 33-inch Off-Road All-Terrain tires are standard on Rubicon.

TOW HOOKS
Two in the front and one in the rear are always standard. Made from heavy-duty, forged steel and mounted directly to the frame.

MORE CAPABLE THAN EVER, THE ALL-NEW WRANGLER RUBICON® IS FULLY ARMORED, ALLOWING YOU TO OVERCOME ALL OBSTACLES WITH THE CONFIDENCE OF A TRUE WARRIOR.
QUICK-CHANGE ARTIST The all-new Wrangler can transition from fully clad and weatherproof to a fully open fresh-air freedom rider in a matter of a few minutes, thanks to purposeful improvements that allow for quick door and window removal, windshield lowering, and top opening.

ADAPTS TO ANY CONDITION

FREEDOM TOP® 3-PIECE MODULAR HARDTOP

FOLD-DOWN WINDSHIELD

REMOVABLE FULL DOORS

QUICK-CHANGE ARTIST The all-new Wrangler can transition from fully clad and weatherproof to a fully open fresh-air freedom rider in a matter of a few minutes, thanks to purposeful improvements that allow for quick door and window removal, windshield lowering, and top opening.

SPORT in Punk'n Metallic
THE ALL-NEW AVAILABLE SKY ONE-TOUCH™ POWER TOP
OPERATES WITH THE TOUCH OF A BUTTON, FULLY OPENING
THE ROOF IN APPROXIMATELY 20 SECONDS. A UNIQUE SLIDING
FUNCTION ALLOWS DEPLOYMENT AT SPEEDS UP TO 55 MPH.
FOR EVEN MORE AIR, THE REAR-QUARTER WINDOWS ARE EASILY
REMOVABLE* WITHIN SECONDS. NO MORE HAVING TO PLAN AHEAD
OR PULL OVER FOR SUDDEN RAINSTORMS. THIS IS GOING TO
CHANGE THE WAY YOU THINK ABOUT OPEN-AIR FREEDOM FOREVER.
GET A REALLY NICE TAN The new Sunrider® Soft Top is now available in an attractive Tan, giving you a second choice of top color in addition to Black.

TAKE-OUT WINDOWS Place your order for a completely open top-down experience. Removing the side and rear windows creates a full-length covering of sunshine that's perfect for feasting on fresh air.

FLIP BACK AND RELAX Better fabric management and easier-to-use retraction handle lets you bring in fresh air faster than ever with minimal effort.

REDESIGNED FROM THE TOP DOWN, THE MANY IMPROVEMENTS HELP MAKE YOUR SOFT TOP EASIER THAN EVER TO FULLY OR PARTIALLY OPEN, WITH ZIPPERLESS REMOVABLE WINDOWS AND SPRING-ASSISTED, ONE-HANDED OPERATION.
OFFICIAL STAMP OF REMOVAL New, exposed aluminum-forged door hinges are standard, all marked with the T-50 designation for the proper-sized TORX® bit needed for easy door removal.

EASIER-TO-REMOVE DOORS All-aluminum construction makes these doors strong, yet very lightweight, and a built-in handle makes taking them off a breeze. Different-length hinge pins make putting them back on easier than ever too.

LIGHTWEIGHT AND BREATHABLE

AN INTERFACE WITH CLEAR VISION

Controls on the steering wheel can instantly scroll you through a selection of vehicle data displayed in full color within your instrument-panel gauge cluster. Standard on Sahara® and Rubicon®.
LED LIGHTING GROUP  Maintain a unique presence after dark, while illuminating more of the road ahead. The round headlamps have always been a signature look for Wrangler, and with the new, available LED Lighting Group they'll stand out even more. The available package includes LED headlamps, taillamps, front LED fog lamps and daytime running lamps (DRLs).
TOUGHER AND BOLDER, THE ALL-NEW RUBICON® REMAINS THE RECOGNIZED AUTHORITY OF OFF-ROAD CAPABILITY. IT TAKES FULL COMMAND OF ALL TRAILS, ALWAYS FACING FREEDOM FULL-ON. GO FARTHER THAN YOU EVER THOUGHT POSSIBLE — THAT'S THE MANTRA OF THE MOST CAPABLE WRANGLER EVER.
CAPABILITY  Purpose-built for virtually any terrain, the all-new Wrangler Rubicon® arrives fully equipped with Rock-Trac® 4WD offering an 84:1 low-gear ratio that masters challenging obstacles with a controlled and steady crawl. Solid and strong Dana® 44 heavy-duty front and rear axles come with standard Tru-Lok® locking front and rear differentials. A standard electronic front sway bar disconnect allows greater front-wheel articulation. A high-performance suspension system keeps the standard 33-inch All-Terrain tires grabbing the ground. Fresh air to help Rubicon keep cool arrives via vents in the standard power dome hood and side vents near both front fenders. And always standard: off-road rock rails to help protect rocker panels from punishing trails, Red tow hooks, and skid plates protecting the underbelly.

POWERTRAIN  New options are welcome additions to the Wrangler family, including the powerful and efficient 2.0L Turbo I-4 engine with 270 horsepower and 295 lb-ft of torque. It’s always matched to the new maintenance-free 8-speed automatic transmission. The proven 3.6L Pentastar® engine, now with the additional efficiencies of Engine Stop / Start (ESS) technology, can be paired with the new available 8-speed automatic or the standard 6-speed manual.

UTILITY  A new factory-installed auxiliary switchbank is available, making it easy to add up to four accessories and control them from your dashboard. Inside, added utility is available with a seatback storage system that allows various bags to attach to the back of the driver and front passenger seats. The available Trail Rail™ Cargo Management System adds repositionable anchors to the cargo floor and interior of the swing gate.

COMFORT  Whether temps rise or fall, Rubicon keeps you comfortable. Three settings on the available heated front seats warm front passengers while the driver can grip a heated steering wheel. Dual-Zone Automatic Temperature Control adjusts to preset temps to keep the driver and front passenger just right, independently.

TECHNOLOGY  The Uconnect® 4C NAV with an 8.4-inch full-color touchscreen gives you 3-D navigation, and Voice Command® with Bluetooth® with standard Apple CarPlay® and Android Auto®. The available 562-watt Alpine® 9-speaker Premium Audio System, including an overhead sound bar and waterproof subwoofer, inspires every trip with a concert-like audio experience.

PROPERLY SECURE ALL CARGO.

THIS MIGHTY TRAIL MASTER IS EQUIPPED TO SUPPORT YOUR ON- AND OFF-ROAD TRAVELS IN EVERY WAY. AS THE MOST CAPABLE WRANGLER EVER, THE ALL-NEW RUBICON® ARRIVES READY TO CLIMB AND OVERCOME THE MOST GRUELING AND CHALLENGING ROAD CONDITIONS OUT THERE.
A COMMANDING VANTAGE

Rubicon® in Firecracker Red and Black leather-trimmed interior with Redical anodized mid-dash and Rubicon Red accent stitching.
A DIAMOND IN THE ROUGH

From its meticulously designed cabin to its authentic Jeep brand capability, the all-new Sahara® is laden with exceptional features for the most discerning and demanding traveler. This urban warrior means business.

Sahara Unlimited in Billet Silver Metallic
PREMIUM LIVING The all-new Wrangler Sahara® kicks it up a notch or two with an available ultra-premium leather-trimmed interior. Detail stitching stands out, along with its acknowledged name of being that has always stood for exceptional style.
KEYLESS ENTER ‘N GO™
No more fumbling for keys. Keep the key fob in your pocket and you can simply open the door, get comfortably seated with your foot on the brake, press the Start button and head out. Available.

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL
Set the desired cabin temperature on the Uconnect® touchscreen for both the driver and front passenger and let this climate control system do the rest. It constantly adjusts to maintain constant temperatures. The addition of rear floor heat and air conditioning ducts are comforting to your second-row passengers. Standard.

LEATHER-TRIMMED AND ALL-INVITING
Sahara® is crafted for those who appreciate premium refinements designed to enhance Wrangler’s natural capability. Leather-trimmed seats and soft-touch surfaces with detailed accent stitching are augmented by elegant brushed painted “Grillz” bezels, handles and knobs. A leather-wraped front grab handle and ultra-leather-wrapped shift boats with accent stitching add distinctive luxurious touches. Available.

AUXILIARY SWITCH BANK
Option this bank of four switches, conveniently installed in the dashboard at the factory. They’re pre-wired to accept accessories, like off-road lights, making their addition clean and hassle-free.

MORE POWER TO YOU
Connect to and power up your devices with the USB, micro USB, 12-volt and audio jack situated on the front dashboard. An additional 115-volt outlet and two USB ports are on the rear of the center console, especially handy for device users in the second row.

UCONNECT® 4C NAV WITH 8.4-INCH DISPLAY
Its large full-color, high-definition touchscreen display provides crystal-clear resolution. You have complete smartphone integration, with Android Auto™ compatibility, Apple CarPlay™ integration, SiriusXM Guardian™ with 4G Wi-Fi Hotspot, Siri® Eyes Free, 9 voice commands, premium pinch-to-zoom navigation, and more. Available.

GO EVERYWHERE
IN EXCEPTIONAL STYLE
Sahara® Unlimited leather-trimmed interior in Black with Light Tungsten accent stitching
SAHARA STANDS OUT

Unique body trim gives Sahara® a decidedly upscale appearance. An 18-inch aluminum wheel adds unique appeal along with Satin Silver accents on the front bumper and grille. Tubular side steps are functional as well as exceptional, and a Black fuel-filler bezel adds finesse.
STYLE The unique appearance of Sahara® is crafted with premium Satin Silver accents surrounding the exterior grille slots, headlamps and bumper inserts. Body-color fender flares, along with an available body-color Freedom Top® hardtop or Sky One-Touch™ Power Top, send an upscale message. Add the optional LED Lighting Group for a distinctive modern look with unique LED daytime running lamps (DRLs), headlamps, fog lamps, taillamps and turn signals. Inside, the Platinum Silver theme continues with accents on bezels, knobs and doors. The front grab handle is wrapped in available leather trim, as is the Jeep® Brand steering wheel.

ABILITY Sahara is ready to trek through the toughest road and weather conditions, with the standard 3.6L Pentastar® engine that’s paired with the Command-Trac® or Selec-Trac® 4WD systems. You can opt for the new and powerful 2.0L I-4 turbo engine and pair it with the available full-time 4WD system. Selec-Trac® and enjoy set-it-and-forget-it 4x4 performance always ready for any terrain.

COMFORT The stunning available leather-trimmed interior with contrasting accent stitching is available in Black or Heritage Tan and can be outfitted with available heated front seats. Take hold of the available heated steering wheel when temperatures dive. Finding adventure is as easy as opening the door, taking a seat, pushing a button and shifting into Drive with the standard Keyless Go. Maintain a consistent climate for both driver and front passenger with the standard Dual-Zone Automatic Temperature Control.

TECHNOLOGY Sahara keeps you informed, connected and entertained. A standard Uconnect® Information Display in the gauge cluster presents a wealth of vehicle data and customization, via steering-wheel controls. Enjoy available in-vehicle 4G Wi-Fi® by choosing the Uconnect® 4C NAV with 8.4-inch full-color touchscreen that includes turn-by-turn navigation. The immersive B-speaker Premium Sound Group has an overhead sound bar and a weatherproof subwoofer. Active safety systems keep monitoring your vehicle and those around you, with available Blind Spot Monitoring®, Rear Cross-Path Detection® and ParkSense® Rear Park Assist®.

UTILITY Organize all your gear and devices with cargo and storage options, including neat cubbies, multifunctional cup holders and door nets. Secure valuable items in the large center console and oversized glove box, and in-floor storage compartment. The available Trail Rail™ Cargo Management System adds repositionable anchors to the cargo floor and interior of the swing gate.
ALWAYS IN ITS ELEMENT
HEATED STEERING WHEEL
Set this optional feature to automatically warm the full 360º circumference of the wheel when temps dip below 40º F.

THE POWER OF TOUCH
Control the available heated seats and steering wheel either from dash-mounted buttons or the Uconnect® touchscreen, even with gloved hands.

IN THE ZONE
With available Dual-Zone Automatic Temperature Control, Wrangler can maintain one temperature for the driver and another for the front passenger.

GLOVES ARE OPTIONAL
COLD WEATHER GROUP

HEATED FRONT SEATS
You’ll have three adjustments to choose from for each seat, so you can tailor your level of warmth to weather conditions and personal preference.

REMOTE START SYSTEM
Start your Wrangler from up to 300 ft away via your key fob or your Uconnect® app. You can also activate climate controls, air conditioning, and the heated steering wheel and front seats.

HEATED STEERING WHEEL
Taking hold of a warm steering wheel on a chilly day is the definition of pure comfort.

HEATED MIRRORS
Keep ice from building up and blocking your view with the safety of heated side mirrors.

SLUSH MATS
Heavy-duty Mopar® Slush Mats are very durable and work hard to protect your carpet from mud and snow.

SURROUNDED BY WARMTH
EXPERIENCE EVERYTHING TRULY AMAZING ABOUT THIS NEXT-GENERATION JEEP® WRANGLER. THE ALL-NEW SPORT IS WHERE YOUR WRANGLER JOURNEY BEGINS, UNITING FANS WORLDWIDE. IT'S IMPRESSIVELY OUTFITTED WITH NEW STANDARD FEATURES THAT ADD COMFORT TO WORLD-CLASS CAPABILITY.
Holds Up Against the Elements

If you’re ever caught with your top down, be it unexpected rain, a muddy excursion, or a healthy dose of slush and snow, Wrangler has you covered, sealed and clean.

Weatherproof Push-Button Start

You can’t always prepare for sudden rainstorms when you’re enjoying your open-air top-down experience. The standard push-to-start button is protected by a water-resistant shield, so you’re always able to start up and head out should the weather outside accidentally come inside.

Weatherproof Subwoofer

Virtually nothing weather-related can cause your exposed subwoofer to give up the ghost. So when you open up to receive everything Mother Nature has to offer, you’ll never miss a beat. Available.

Wash-Out Interior with Drain Plugs

Fear no mud, dirt or slush. Every Wrangler interior is fully washable and drainable. Simply remove your carpet, get the hose and go to town. Your carpet is weather-resistant, too, and now easier to take out and replace, thanks to new grommets strategically placed to help reattach the carpet in the correct position.

Slush Mats and Cargo Liners

You can’t avoid dirt, but you can avoid excess wear and tear to your interior. Upgrade to super-duty Mopar® slush mats and cargo liners. They’re made to take a beating and come out clean in the wash. And they show your pride in your ride by proudly displaying the Jeep Brand logo.
PACKED TO GO
THE DISTANCE

MODULAR SEATBACK JEEP® UTILITY GRID SYSTEM
Exclusive to and integrated into the Rubicon® front seatbacks, it allows for additional flexible storage options. Durable nylon woven straps accommodate standard Modular Lightweight Load-carrying Equipment (MOLLE) style bags. An available Mopar® kit includes a set of three bags (small, medium and large), each with attachment straps and featuring the Jeep® Brand logo.

BINS AND POCKETS The all-new cabin is designed to help you stay organized with cubbies, pockets and bins throughout, giving you plenty of places to store phones, computers, tablets, maps, gaming devices and more.

Properly secure all cargo.
CARGO SPACE  The all-new Wrangler opens up to give you more cargo room, so you can carry more gear for those really big trips. The 4-door Wrangler offers 72.4 cu ft of fun with the rear seats folded.

TRAIL RAIL™ CARGO MANAGEMENT SYSTEM
This modular system incorporates rails in the cargo floor and tailgate, into which locking anchors can be slid or to which a variety of bags and accessories can be mounted. More details on page B2.
TRAIL RAIL™ CARGO MANAGEMENT SYSTEM

Accessorize your cargo-carrying capability with this versatile system, optional on all Wrangler models. It includes aluminum rails on the tailgate and cargo floor, along with cargo anchors that lock into place (four anchors included with 2-door models, six with 4-door models). Then choose to add further utility with the available Tailgate Table from Mopar.

Handy Hardware

The storage bin lid also reveals an area to securely keep bits from door/top removal and windshield floading.

IN-FLOOR STORAGE BIN

The cargo floor behind the second row of seats hides a storage area whose lid secures when the swing gate is closed — perfect for storing larger items, like computers and tools.

CENTER CONSOLE STORAGE

Keep valuables secure and hidden from view. Illuminated and big enough to fit an iPad, the two-tiered center console helps keep items organized with a large main bin and convenient top tray. Cup holders are sized to hold larger beverage containers and have a removable liner for easy cleaning. Plus, there’s a dedicated slot for cell phone or key fob storage.

EVERYTHING HAS A PLACE

Keep valuables secure and hidden from view. Illuminated and big enough to fit an iPad, the two-tiered center console helps keep items organized with a large main bin and convenient top tray. Cup holders are sized to hold larger beverage containers and have a removable liner for easy cleaning. Plus, there’s a dedicated slot for cell phone or key fob storage.
EXPLORE

WITH CONFIDENCE
ULTRASONIC AND ANTI-TILT SECURITY SYSTEM  Virtually any movement activates the alarm, like unauthorized wheel removal or towing, the illegal opening of a door, hood or swing gate, ignition start, cutting of battery leads, or when motion inside the cabin is detected. Standard.

ELECTRONIC STABILITY CONTROL (ESC) 4 A vehicle-wide network of safety sensors provide instant aid should they detect you’re veering off your intended path. ESC coordinates systems and sensors, sending them into action when needed. Standard.

UCONNECT VOICE COMMAND® 6 WITH BLUETOOTH® Multitasking is the way of today’s busy world, even when you’re on the road. Uconnect® Voice Command® with Bluetooth® allows drivers to take or make phone calls, while safely keeping both hands on the wheel. Standard.

HILL START ASSIST (HSA) 21 AND HILL DESCENT CONTROL (HDC) HSA21 works to prevent Wrangler from rolling when starting on an uphill gradient. HDC is packaged with the 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed. Standard.

ADVANCED MULTISTAGE FRONT AIR BAGS20 When a crash is detected, these air bags20 deploy nearly instantaneously, providing occupant protection that’s matched to crash severity. Active vents exhaust air bags20 at appropriate rates, depending on impact. Standard.

LED HEADLAMPS, TAILLAMPS AND FOG LAMPS Nighttime driving can bring hidden hazards. With these long-lasting, bright lamps, the road ahead is safely illuminated. Available.

BODY STRENGTH Improvements to the safety cage make the muscles of the all-new Wrangler exceptionally solid. Enhanced high-strength steel panels with lightweight aluminum optimize strength and aids efficiency. Standard.

SUPPLEMENTAL FRONT-SEAT-MOUNTED SIDE AIR BAGS Deploying from the outboard side of each front seat, these air bags20 enhance the protection of the driver and front-seat passenger in certain impacts. Standard.

SENTRY KEY® ENGINE IMMOBILIZER A unique, embedded key code matched only to your vehicle helps keep your Wrangler safely where it belongs. The vehicle will not start if it does not detect the correct key. Standard.

HILL START ASSIST (HSA) AND HILL DESCENT CONTROL (HDC) HSA works to prevent Wrangler from rolling when starting on an uphill gradient. HDC is packaged with the 8-speed automatic transmission, helping Wrangler navigate steep declines at a steady speed. Standard.

ADVANCED FRONT AIR BAGS20 Deploying from the outboard side of each front seat, these air bags20 enhance the protection of the driver and front-seat passenger in certain impacts. Standard.

ENHANCED ACCIDENT RESPONSE SYSTEM (EARS) This system makes it easier for emergency personnel to see and reach occupants in the event of an accident, turning on interior lighting, flashing hazard lamps and unlocking power doors after air bags20 deployment. Standard.

PREPARED FOR THE UNEXPECTED

WITH AN ABUNDANCE OF STANDARD AND AVAILABLE SAFETY AND SECURITY FEATURES, WRANGLER HELPS PREPARE YOU FOR VIRTUALLY ANY ADVERSARIAL CONDITION. ITS BODY MADE OF HIGH-STRENGTH STEEL IS THE ARMOR OF A CHAMPION, OUTFITTED TO ASSIST WITH THE WELL-BEING OF EVERY OCCUPANT.

75+ STANDARD AND AVAILABLE SAFETY & SECURITY FEATURES
When the vehicle is in Reverse, the Uconnect® screen displays a wide-angle view of what's immediately behind your vehicle. This system helps bring previously hidden rear objects to your attention (on-screen or with an audible warning) in good time to react. On-screen dynamic grid lines conveniently help you visualize your path or line up a trailer to your hitch. You can also keep an eye on anything in tow while in motion. The system's camera is cleverly located in the center of the spare tire carrier and has a protective cover that is easily unlocked and removed with an included tool. Standard.
NEW ACTIVE SAFETY SYSTEMS ARE CONSTANTLY WORKING TO MONITOR YOUR VEHICLE’S PERIMETER. REST ASSURED, JEEP, WRANGLER REMAINS ON CALL, READY TO NOTIFY YOU WHEN A POTENTIALLY DANGEROUS SITUATION ARISES.

BLIND SPOT MONITORING This system monitors the space between your Wrangler and other vehicles. When a side or rear blind spot is encroached, you’re notified via helpful icons illuminated on sideview mirrors, or an audible chime. Available.

REAR CROSS-PATH DETECTION Activated when your Wrangler is in Reverse, the system uses illuminated icons, as well as an audible chime, to notify you when, for example, a vehicle or pedestrian crosses behind. Available.

PARKSENSE® REAR PARK ASSIST SYSTEM Works in tandem with the ParkView® Rear Back-up Camera to display previously hidden objects, bringing them to your attention on-screen and with an audible warning so you have time to react. At speeds below 4 mph, the system will automatically bring the vehicle to a stop. Available.
A VERY INCLUSIVE CLUB

DELVE DEEPER INTO THE JEEP® BRAND, WHICH INCLUDES AN EXPANSIVE ARRAY OF EXPERIENCES THAT CAN CREATE LIFELONG CONNECTIONS. EXPAND YOUR ADVENTURES IN EVERY DIRECTION BY VISITING JEEP.COM/EXPERIENCE

JEEP WAVE

Every owner of an all-new Wrangler gets auto-enrolled in this exciting program offering a variety of exclusive benefits — like two free oil changes and tire rotations per year, first-day car rental allowance when getting dealer service, up to $1,000 of trip-interruption coverage, VIP treatment at select events, discounts up to 30%, and 24/7 phone and live chat support.
