Build your Patriot at jeep.com.

LEGENDARY LINEAGE. For nearly 70 years, Jeep® vehicles have ruled the rocks, road, and mud. Today, Patriot takes the “go-anywhere” Jeep brand attitude: decisively tough, incredibly refined, and utterly capable. Patriot epitomizes the Jeep brand’s strength of purpose that is designed to take every hard-core adventurer up, over, and beyond to arrive at destinations that others daunted by the terrain only dream of reaching.

jeep.com
The 2011 Jeep® Patriot adds to the value of every adventure.*

HANDLE IT.
Patriot’s four-wheel independent touring-tuned suspension improves on-road handling and cornering and helps to provide a smooth and even ride.

FOOTWORK.
Go forth boldly, knowing you’ve got a full nine inches between you and the nearest boulder below.

TAMED TERRAIN.
A Trail Rated Patriot 4WD vehicle is built to help you maintain traction and control on the toughest terrain. You’ll keep moving on steep grades and slippery conditions.

HANDLE IT. Patriot’s four-wheel independent touring-tuned suspension improves on-road handling and cornering and helps to provide a smooth and even ride.

FOOTWORK. Go forth boldly, knowing you’ve got a full nine inches between you and the nearest boulder below.

The recognized standard for proven off-road capability. When you’re ready and willing to head out for a peak Jeep® 4WD experience, Patriot is too. The available Trail Rated® Freedom Drive II® Off-Road Group helps earn Patriot the bragging rights for best-in-class off-road capability. For top-shelf value, Patriot’s 2.4L DOHC 16V dual VVT engine moves with unsurpassed 4x4 efficiency, pushing 172 hp and achieving up to an EPA estimated 28 mpg on the highway.

TAMED TERRAIN.

HANDLE IT. Patriot’s four-wheel independent touring-tuned suspension improves on-road handling and cornering and helps to provide a smooth and even ride.

FOOTWORK. Go forth boldly, knowing you’ve got a full nine inches between you and the nearest boulder below.

The recognized standard for proven off-road capability. When you’re ready and willing to head out for a peak Jeep® 4WD experience, Patriot is too. The available Trail Rated® Freedom Drive II® Off-Road Group helps earn Patriot the bragging rights for best-in-class off-road capability. For top-shelf value, Patriot’s 2.4L DOHC 16V dual VVT engine moves with unsurpassed 4x4 efficiency, pushing 172 hp and achieving up to an EPA estimated 28 mpg on the highway.
Patriot’s got your back and your sides, as well as your front end. Head out with confidence, knowing you’re outfitted with a comprehensive set of safety and security features. Patriot’s emphasis on incident preventive packages, like Electronic Stability Control (ESC) with its robust range of sensor indicators, are key to occupant protection. A strong cage structure contains a front crumple zone that absorbs energy during a front impact, as well as a high-strength crossbeam in the rear seat area that helps transfer side-impact energy from one side of the vehicle to the other.

ELECTRONIC STABILITY CONTROL (ESC)." Integrates a host of systems that includes all-speed traction control, a Brake Assist system that automatically helps provide quicker braking power in emergency situations, and Electronic Roll Mitigation (ERM) steering actions that can apply strategic braking to appropriate wheels and reduce engine power when overly sharp steering actions and/or impending wheel lift are detected. Standard on all models.

SENTRY KEY.® A unique embedded key code matched only to your vehicle helps keep your Patriot safely where it belongs.

INSURANCE INSTITUTE FOR HIGHWAY SAFETY. Patriot with available supplemental seat-mounted side air bags earns the highest honor as a 2010 TOP SAFETY PICK.

HILL START ASSIST (HSA). Standard on manual transmission models, HSA helps stop that annoying “roll-back” when you tackle uphill climbs.

ALL-AROUND PROTECTION. Patriot’s air bag systems include front and rear side-curtain and advanced multistage driver and front-passenger air bags. Standard front-seat active head restraints move forward and upward in the event of a rear-end collision to decrease the space between the head restraint and the occiput’s head, thereby helping to reduce the chance of injury.

SIRIUS® TRAVEL LINK™. As packaged with the available Media Center 430N radio, you’ll have access to real-time information on accidents, traffic flow, construction, road closures, and more. Alternative route guidance and mapping lets you easily avoid troubled areas to help you arrive safely and on time.

TIRE PRESSURE MONITORING SYSTEMS. Embedded sensors continuously monitor the pressure in the tires and will immediately notify the driver when levels drop below the minimum acceptable level.

AVAILABLE HEATED POWER EXTERIOR MANUAL-FOLDING MIRRORS. Melt snow and ice off your side-view mirrors as you warm up your interior. Helps keep your mirrors icicle-free as you drive, as well.

Safety and Security Features
Stay connected to the people, music, and devices that matter most. Uconnect® is an intuitive hub for all your media — cell phone, Internet, satellite radio, navigation system, MP3 player, and smartphone — designed to make your life easier, wherever you roam.

PHONE. Taking the phone while driving has never been easier — or more responsible. Uconnect Phone is the in-vehicle voice-activated communication system that allows you to talk on your Bluetooth®-compatible phone virtually hands-free. This clever system is also smart enough to synchronize with your Bluetooth compatible phone’s address book — up to 1,000 entries — every time you get into your vehicle.

WEB. Put the power of high-speed Internet in your vehicle with Uconnect Web™. Effortlessly connect any WiFi enabled device to the Internet at 3G broadband speeds, making your vehicle a mobile Hotspot. Passengers can use multiple devices at the same time. There’s no need for cell cards or software with this unique Authentic Accessory by Mopar — it’s all wireless. Subscription required. Sold separately.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Vocally select FM radio stations, SIRIUS Satellite Radio channels, and record voice memos. Plug in an iPod® into the remote USB port and command all your music. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. Manage all of your media. You have multiple ways to access audio, including SIRIUS Satellite Radio® (your first year of service is included), a 28GB hard drive, and Bluetooth streaming audio. Rear Seat Video, an Authentic Jeep® Accessory by Mopar, can be accessed four ways: watch SIRIUS Backseat TV™, DVDs, compatible multimedia devices, and gaming consoles.

NAVIGATION. Provides a centralized GPS navigation and information on the go. It can also locate nearby restaurants, shopping, hospitals, or points of interest. An upgraded Uconnect radio features optional GPS Navigation from Garmin®. An intuitive user interface features turn-by-turn audible directions and lane guidance, a new media-center “first,” that provides visible assistance when approaching multiple lane-changing options.

SIRIUS TRAVEL LINK.™ Access a wealth of information at your fingertips, including national and local weather reports, local gas prices, in-game and final sports scores, weekly movie times, and local ski slope conditions. Subscription is required after one-year complimentary service (late availability).

GARMIN® NAV.™ Offered for the first time is Garmin, the most recognized name in GPS wayfinding. It features the Garmin intuitive user interface and navigation with lane guidance, bringing the popular handheld experience to a factory-in-dash screen.
Jeep Patriot Latitude X. It’s touched by impressive details and creature comforts inside and out. Jeep Patriot Latitude X moves its occupants to greater and very efficient heights with a 172 hp 2.4L DOHC engine that’s ingeniously matched to an available Continuously Variable Automatic Transaxle (CVT2) with AutoStick. Inside, leather-trimmed and heated front bucket seats, automatic temperature control, and an available Media Center 430N radio with Garmin. Navigation keep you comfortable, entertained, and always heading in the right direction.

**WARMTH AT WILL.** It’s said that those who’ve experienced the nearly instantaneous cozy warmth of heated seats deem them a must-have feature from that day forward. Fitting the bill are the standard heated front seats for both the driver and front passenger on Patriot Latitude X. The feature offers High and Low heat options so you can customize your comfort level to meet whatever chill factor the day brings.

**TAKE IT PERSONALLY.** Its cabin is aimed to please. The interior of Latitude X features new soft-touch surfaces and smartly designed and fitted vents, knobs and dials that control a plethora of convenient features. Adjust the Automatic Temperature Control dials to keep the cabin consistently comfortable. The optional 368-watt nine-speaker Boston Acoustics® Premium Sound System is the envy of every ear and the standard six-way power-adjustable and reclining driver’s seat puts you in a very comfortable position.

**Patriot Latitude X.** Patriot Latitude X is very well-appointed and pleasingly fuel efficient. STANDARD: 2.4L DOHC 16V dual VVT 4-cylinder engine, antilock brake system (ABS), Electronic Stability Control (ESC), Brake Assist, all-speed traction control, Electronic Roll Mitigation (ERM), dual front and supplemental side-curtain air bags, fully independent touring-tuned suspension, driver adjustable manual lumbar, Electronic Vehicle Information Center (EVIC), 4-wheel antilock disc brakes, bright exterior accents, Sentry Key® antitheft engine immobilizer, power-heated manual folding mirrors, premium leather-trimmed seats, Media Center 230, fog lamps, 17-inch cast aluminum wheels, SIRIUS® Satellite Radio® leather-wrapped steering wheel with speed and audio controls. AVAILABLE: Freedom Drive II® active full-time 4WD with Off-Road mode, Uconnect® Voice Command, Sun and Sound Group with power sunroof and nine Boston Acoustics® speakers with two flip-down liftgate speakers.
Jeep® Patriot Latitude. Explore where you will, outfitted with plenty of room to move in comfort, capability, and style. Latitude’s standard powertrain includes a 158 hp 2.0L DOHC engine with Variable Valve Timing (VVT) and 5-speed manual transmission. Adventures are possible when you opt for Freedom Drive I 4WD, an all-weather 4x4 system with a selectable LOCK feature that is consistently capable. This active full-time system earns Patriot kudos for tackling snow, ice, rain, and mud like a champ.

**Patriot Latitude (Standard)**
- Comfortable city trips and adventurous exploration are mapped out here. **STANDARD**:
  - 2.0L DOHC 16V dual VVT 4-cylinder engine, antilock brake system (ABS), Electronic Stability Control (ESC), Brake Assist, all-speed traction control, Electronic Roll Mitigation, dual front and supplemental side-curtain air bags, fully independent touring-tuned suspension, Sentry Key® antitheft engine immobilizer, power-heated manual folding mirrors, heated front seats, front passenger fold-flat bucket seat, Media Center 130, 115-volt power outlet for laptops and mobile devices, fog lamps, 17-inch cast aluminum wheels, leather-wrapped steering wheel with speed and audio controls.
- **AVAILABLE**: Freedom Drive II® active full-time 4WD with Off-Road mode, Sun and Sound Group with power sunroof and nine Boston Acoustics® speakers with two flip-down liftgate speakers and SIRIUS® Satellite Radio.

**Wide-open Reception.** Patriot’s spacious cabin is fine-tuned with useful and clever details. From Latitude’s standard illuminated cup holders and Keyless Entry to its leather-wrapped steering wheel and 60/40 split-folding reclining rear seats, you’ll see the world from a comfortably open position. With steering wheel audio controls, your hands stay on the wheel while you browse the available Media Center 430 radio’s 30GB hard drive and 6,700 song capacity.
Jeep® Patriot Sport. Adventure enthusiasts get their best game on with Sport’s cache of standard equipment, including Electronic Stability Control (ESC)\(^4\) with Electronic Roll Mitigation (ERM),\(^4\) a four-wheel antilock brake system (ABS) and all-speed traction control. Inside the cabin, you can take your toys with you by lowering the 60/40 split-folding reclining rear seats to open up a roomy 54.2 cu ft of cargo volume. Illuminated cup holders glow in the dark, adding functionality as well as convenience.

Patriot Sport (Standard)
- 2.0L DOHC 16V dual VVT 4-cylinder engine
- 5-speed manual transmission with Hill Start Assist (HSA)
- Antilock brake system (ABS), fog lamps, deep tinted glass
- Cruise control
- Electronic Stability Control (ESC), Brake Assist, all-speed traction control, Electronic Roll Mitigation
- Dual front and supplemental side-curtain air bags
- Sentry Key® anti-theft engine immobilizer
- Deluxe cloth-trimmed seats
- Tire Pressure Monitoring warning lamp
- Media Center 130 CD/MP3 radio
- Side roof rails, 12-volt accessory power outlet, outside temperature gauge
- Available: Freedom Drive I active full-time 4WD, Freedom Drive II active full-time 4WD with Off-Road mods, Media Center 230 with AM/FM/CD/DVD radio with auxiliary input jack, Tire and Wheel Group, front seat-mounted side air bags, and Power Value Group.

Patriot Sport (Available)
- 16-inch Styled Steel
- 17-inch Painted Aluminum
Always authentic, from every view. When your Patriot is outfitted with Authentic Jeep Accessories by Mopar, its appealing profile becomes uniquely you. All Mopar products are specifically designed to enhance your vehicle, sculpting it into a creation of impressive taste and flair. When it comes to the fit, finish, and functionality of accessories for Patriot, choose only those that befit a legendary brand. For the full line of Authentic Jeep Accessories by Mopar, visit mopar.com.

HITCH RECEIVER. Built for the long haul, this heavy-duty Class 1 Hitch Receiver can tow up to 2,000 lb. Ball Mount, Hitch Ball, Hitch Plug and Wiring Harness sold separately.

DOOR SILL GUARDS. Start your day on a bright note while protecting your vehicle's interior sills from scratches. Front door guards prominently feature the Patriot name.

WATER-RESISTANT SEAT COVERS. High-tech "wet suit" material helps keep dirt and moisture off your seat surfaces. Front passenger-side cover includes a handy seatback pocket and features the Jeep logo. Covers are custom fit for front and rear seats.

ROOF-MOUNT SKI AND SNOWBOARD CARRIER. Carrier holds up to six pairs of skis, four snowboards, or a combination of the two. Carrier features corrosion-resistant lock covers and either-side opening for easy loading and unloading. Mounts to Sport Utility Bars, which are built of heavy-duty Black anodized aluminum and attach to the standard equipment side rails (sold separately). Properly secure all cargo.

### Specifications

#### Powertrain
- **Engine:**
  - 2.4L DOHC 16V dual VVT I-4
  - Displacement: 144.2 cu in
  - Horsepower: 172 @ 6,000 rpm
  - Torque: 165 lb-ft @ 4,400 rpm
  - Transmission: CVT
- **Engine:**
  - 2.0L DOHC 16V dual VVT I-4
  - Displacement: 122 cu in
  - Horsepower: 158 @ 5,000 rpm
  - Torque: 141 lb-ft @ 4,000 rpm

#### Drive System
- **Drive Type:**
  - Front-wheel drive (FWD) transaxle with constant velocity joints and equal-length half shafts
  - Automatic with 30-mm high-strength multilayer steel drive belt, ratio range: 2.35 – 0.39; overall top gear ratio: 2.97
- **Drive Type:**
  - 5-speed manual transaxle

#### Engine Construction / Fuel Delivery
- **Engine Construction:**
  - High-pressure die-cast aluminum block with dry iron liners, cast aluminum cylinder head, forged steel crankshaft, dual counter-rotating balance shafts (2.4L)
- **Fuel System:**
  - Sequential multiport, electronic fuel injection with electronic throttle control
