IT’S TIME TO STRETCH BOUNDARIES AND GRASP NEW EXPERIENCES. THIS IS AN INVITATION TO FORGE YOUR OWN PATH. MAKE YOUR OWN MARK, DISCOVER NEW HORIZONS.
2014 JEEP PATRIOT

Outfitted with iconic Jeep, brand capability and in signature style, Patriot has the fortitude to trounce dunes, forge over two-tracks, and brave rush-hour traffic. With available Trail Rated® 4x4 ability, fuel economy of up to 30 miles per gallon, and a new six-speed PowerTech automatic transmission, 2014 Patriot is prepared for everyday adventures and the ones you write home about. The world offers endless opportunities, seize yours today.

*Based on EPA estimated city and highway mpg for all compact cars. EPA estimated 23 city/30 hwy mpg when equipped with a 2.0L engine and five-speed manual transmission.
CAPABLE COMFORT.
An atmosphere of soft-touch surfaces, rich, textured fabrics, a three-spoke steering wheel, available premium leather-trimmed seats, and instrument panel accents make sinking into Patriot’s interior an escape from the everyday. Unexpected conveniences like the removable/rechargeable flashlight, illuminated front console cup holders, and available steering wheel-mounted controls that operate features like an available Bluetooth enabled phone, navigation, radio, and cruise control make the ride even more enjoyable.

ROOM FOR GUESTS AND GEAR.
Up to three backseat passengers will enjoy the ride just as much as those up front thanks to impressive leg room. Configure the standard rear 60/40 split-folding reclining seats (not available on Sport) to carry the perfect combination of guests and gear. When hauling bigger loads, fold the entire seat down for 53.5 cu ft of cargo room.
TRACTION: Trail Rated traction helps you maintain controlled forward motion on snow, icy roads and icy bridges. You can climb steep sand dunes and master muddy two-tracks. Others may fear untamed terrain, but your Trail Rated Patriot has the traction within to master all kinds of topography and driving conditions.

MANEUVERABILITY: Every Patriot is born with the athletic ability to navigate narrow gaps, dodge emergency situations and avoid cosmetic damage to underbody tills, thanks to precision steering and optimized wheelbase.

GROUND CLEARANCE: Head out knowing your Trail Rated Patriot has optimized approach, departure and breakover angles designed to clear logs, rocks, and uneven ground. The undercarriage is protected too, with forged skid plates that cover the vehicle’s most valuable underbody elements.

LATITUDE SHOWN IN MAXIMUM STEEL METALLIC.

TRAIL RATED
The badge of honor bestowed only after mastering a series of grueling tests on the toughest of terrain in five distinct categories.

**SUV VERSATILITY, COMPACT CAR FUEL ECONOMY: DELIVERING AN OUTSTANDING 4x2 EPA ESTIMATED 30 MPG ON HIGHWAYS AND 23 MPG IN THE CITY: THIS EFFICIENT 2.0L DOHC 16V DUAL VARIABLE VALVE TIMING (VVT) I-4 POWERHOUSE SHOWS OFF WITH 158 HP AND 141 LB-FT OF TORQUE. WITH NUMBERS LIKE THIS YOU HAVE THE FREEDOM TO EXTEND THE ADVENTURE AND TRAVEL MORE THAN 400 MILES ON A FULL TANK OF GAS.**

**2.4L DOHC 16V DUAL VARIABLE VALVE TIMING (VVT) I-4 ENGINE**

Choose Patriot’s 2.4L DOHC 16V engine featuring dual VVT and paired with the speed manual transmission for a brilliant mix of an EPA estimated 4x4 fuel economy of 23 city/28 hwy, 172 hp, and 252 lb-ft of torque.

**ALL-NEW SIX-SPEED AUTOMATIC TRANSMISSION.**

Pair the available new PowerTech six-speed automatic transmission to either of Patriot’s capable engine offerings for a smoother, quieter ride regardless of whether you’re heading road or trail. This new six-speed has a low first gear for quicker takeoffs, and a tall top gear for relaxed highway cruising. A stepped shift schedule across all six gears is designed for optimal city fuel economy. The fact that the fill-for-life design helps reduce maintenance costs just adds to the pride of ownership.

**CAPABILITY**

From advanced automotive engine technology to the sure-footedness of the touring-tuned suspension to the legendary 4WD ruggedness, Patriot offers true performance when snow, muddy roads, or steep gravel describes your route.

**FREEDOM DRIVE I.**

The active, full-time 4WD capability with LOCK Mode features an Electronically Controlled Coupling, which constantly monitors wheel slippage and transfers torque to the axle that can use it most. In tough conditions, the system can be locked 50/50 front/rear for added low-speed capability and control. A 2.0L engine and five-speed manual transmission. 4x2.

**CONTINUOUSLY VARIABLE AUTOMATIC TRANSMISSION II (CVT2L).**

This available system boasts a low range that provides the torque multiplication needed for water fording, steep grades, and crawling slowly in off-road events. Includes Off-Road Mode that delivers an off-road-capable 19:1 Trail Rated crawl ratio.

**FREEDOM DRIVE II!**

This available system gives Patriot its Trail Rated chops with features like full-time 4WD with LOCK Mode, Off-Road Mode with Hill Descent Control, and brake traction control. Torque is adjusted on-demand for added fuel efficiency. Its all-weather capability expertly handles more difficult off-road situations, as well as deeper snow, mud, and up to 13 inches of water.
LIMITED SHOWN IN GRANITE CRYSTAL METALLIC
Patriot’s deep design roots are equally inspired by both nature’s fine, small details and by the bold, expansive formations that create the topography from the intricacies of the smallest plants to the complexities of efficient ecosystems. Patriot lends an ear to hear what the Earth is saying. This may be one reason Patriot feels so at home climbing mountains, roaming forests, and wading through streams.

Inelligent Design

Let the love of music and the great outdoors guide you. Opt for the Sun and Sound Group for fresh air via the sunroof and crystal-clear sound from the premium audio system that includes a subwoofer and two articulating liftgate speakers. Your cabin’s comfort is always as desired when cooled or heated air flows through thoughtfully designed vents.
With more than 30 safety and security features available, it’s easy to see why the Insurance Institute for Highway Safety (IIHS) named Patriot a 2013 Top Safety Pick.

NEW STANDARD SUPPLEMENTAL FRONT- MOUNTED SIDE AIR BAGS_ Each side air bag has its own sensor to autonomously trigger the air bag on the side where the impact occurs.

ADVANCED MULTISTAGE FRONT AND SIDE- CURTAIN AIR BAGS_ These air bags provide nearly instantaneous occupant protection by matching air bag output to crash severity.

HEATED POWER EXTERIOR MIRRORS_ Melt snow and ice off your sideview mirrors as you warm up your interior. This available feature also helps to keep your mirrors icicle-free as you drive.

ELECTRONIC STABILITY CONTROL (ESC)_ An advanced system designed to assist drivers in maintaining control of their vehicle at all times. It integrates an available four-wheel Anti-lock Brake System (ABS) with Hydraulic Brake Assist, all-speed traction control, and Electronic Roll Mitigation (ERM) to constantly monitor driver input against the vehicle’s actual course. When needed, the system automatically helps provide braking to the appropriate wheels and reduces engine power when overly sharp steering and/or impending wheel lift is detected.

TIREFY PRESSURE MONITORING SYSTEMS_ Embedded sensors continuously monitor the pressure in the tires and will immediately notify the driver when levels drop below the minimum acceptable level.

HALOGEN HEADLAMPS AND FOG LAMPS_ These bright sources of light improve down-road visibility at night or during inclement weather.

HILL START ASSIST (HSA)_ This system works to prevent your Patriot from rolling away when starting the vehicle on an up-or-downhill gradient. It holds the vehicle stationary for two seconds after the driver’s foot is removed from the brake pedal, allowing time to apply the throttle. Standard on manual transaxle models, and included with the Trail Rated, Freedom Drive II Off-Road Group.

FRONT-SEAT ACTIVE HEAD RESTRAINTS_ In the event of a rear-end collision, the head restraints move forward and upward to decrease the space between the headrest and the occupant’s head, thereby helping to reduce the chance of injury.

SIRIUSXM TRAFFIC_ Avoiding traffic jams is easy. With SiriusXM Traffic, you’re notified of major accidents, construction, and road closings along your route. SiriusXM satellites monitor a million miles of roadways nationwide and coast-to-coast, all day, every day. Color-coded roadways inform you of traffic flow and speed in major metropolitan areas. Visit siriusxm.com/traffic.

WITH MORE THAN 30 AVAILABLE SAFETY AND SECURITY FEATURES, PATRIOT HAS YOUR BACK.
Engineered with technology, Uconnect® brings a range of communication and entertainment services straight to your Patriot. From music to travel destinations, there are many convenient, must-have, user-friendly options to choose from. Discover how you'd like to connect at DriveUconnect.com.

TALK. Talking on the phone while driving has never been easier—or more responsible. Uconnect® Phone is the in-vehicle, voice-activated communication system that lets you talk without taking your hands off the wheel. Uconnect® Phone is compatible with hands-free Bluetooth® technology. This clever system is also smart enough to synchronize with your Bluetooth® compatible phone’s address book—up to 1000 entries—every time you get into your vehicle.

WEB. Put the power of high-speed Internet in your vehicle with Mopar® Web. Effortlessly connect any WiFi-enabled device to the Internet at broadband speeds, making your vehicle a mobile hotspot. Passengers can use multiple devices at the same time. There’s no need for cell cards or software with this unique Authentic Accessory by Mopar—it’s all wireless. Subscription required. Sold separately.

VOICE COMMAND. It simplifies driving by letting you keep your eyes on the road and your hands on the wheel. Use your voice to select AM/FM radio stations or SiriusXM Satellite Radio® channels, or make calls. Select destinations, select the route mode, and record voice memos. This smart system technology can also be trained to better recognize your voice and can understand commands in English, French, and Spanish.

ENTERTAINMENT. Manage all of your media. You’ll have several ways to access audio. Get the sound going via CDs/DVDs, MP3s, remote USB port, audio jack, hard-disc storage, Voice Command, SiriusXM Satellite Radio® (your first year of service is included), and Bluetooth streaming audio.

NAVIGATION. Provides turn-by-turn directions and lane guidance to nearby restaurants, shopping, hospitals, or local points of interest.

GARMIN NAVIGATION. Head out in the right direction with a media center that includes Garmin, the most recognized name in GPS. It features Garmin’s intuitive user interface and navigation with lane guidance, bringing the popular handheld experience to a factory-in-dash screen.

SIRIUSXM TRAVEL LINK. Access a wealth of information at your fingertips, including national and local weather forecasts, local gas prices, in-game and final sports scores, movie times, even local ski slope conditions. Subscription is required after one year of free service.

SIRIUSXM ALL ACCESS. SiriusXM All Access programming goes with you, wherever you travel, via your vehicle, computer, smartphone, or tablet. In your new vehicle, get every channel available on your radio, including all the premium programming. Plus, listen wherever you go on your portable devices with a SiriusXM Internet Radio® subscription included with your trial. Options in all the places life takes you.
