

**SIRIUS Travel Link™ Upgrade.**

SIRIUS Travel Link™ upgrade is now available on 2011 Jeep Grand Cherokee, Liberty and Wrangler vehicles equipped with Media Center 430N (Garmin™ navigation). SIRIUS is mailing owners an upgrade disk to their home where they can complete the upgrade by using the download instructions that will come with the disk.

Should any issues be encountered with the update, please feel free to contact the Jeep Customer Assistance Center at (877) 426-5337. Service for the Travel Link™ will be available for the duration of your factory-installed SIRIUS Satellite Radio 1-year subscription. 2011 Jeep Grand Cherokee, Liberty and Wrangler vehicles equipped with Media Center 430N built after April 18, 2011 are already equipped with SIRIUS Travel Link™.
